Updated Model X Form No. 2 of Note Purchase Agreement – [_____] , 2014

(FOR ISSUES OF A CREDIT QUALITY EQUIVALENT TO BBB- OR BETTER OF NON-U.S. ISSUERS)

THIS FORM IS FOR GENERAL GUIDANCE ONLY. IT IS INTENDED TO FACILITATE THE NEGOTIATION PROCESS BY REDUCING TIME AND EFFORT SPENT BY THE PARTIES IN REACHING AGREEMENT. THERE IS NO SUGGESTION THAT THIS FORM MUST BE USED "AS IS." HOWEVER, IT IS NOT ANTICIPATED THAT THIS FORM WILL BE USED MERELY AS A STARTING POINT, SINCE IT IS THE PRODUCT OF REPRESENTATIVES OF ISSUERS AND PURCHASERS. DEVIATIONS FROM THIS FORM IN THE NEGOTIATION PROCESS REMAIN WITHIN THE SOLE DISCRETION OF THE PARTIES TO THE SPECIFIC TRANSACTION.

IT IS INTENDED THAT A BLACKLINED COMPARISON OF THIS FORM (*INCLUDING THE FORM NOTES*) WITH THE INITIAL DRAFT OF THE NOTE PURCHASE AGREEMENT FOR A PROPOSED TRANSACTION BE DELIVERED TO THE POTENTIAL PURCHASERS.

This form assumes that the issuer is a non-U.S. business corporation (other than a regulated business, such as a financial institution or public utility) with at least one subsidiary and that all subsidiaries are subject to covenant restrictions. It provides for the issue to multiple U.S. purchasers at a single closing of a single class of U.S. Dollar denominated senior unsecured notes. The footnotes identify some areas in which special care may need to be taken to tailor the document to the circumstances of an individual transaction. Note that certain additions and/or changes to this form may be necessary or desirable depending on the jurisdiction of the issuer and the purchasers (if outside the U.S.). It is suggested that

local counsel in the jurisdiction of the issuer be consulted with respect to any such additions and/or changes. [Reference may also be made to the applicable cross-border provisions that appear in the *Cross-Border Reference Manual*, [____], 2014, which may be found at www.aciclaw.org (although note that the manual is only updated periodically and final advice should be sought from local counsel in the jurisdiction of the issuer) – **Note that this is currently be worked on by the TPMC and should be released shortly**]. THIS FORM CONTAINS NO FINANCIAL COVENANTS. PROPOSAL OF FINANCIAL COVENANTS IS LEFT TO THE PARTIES.

[Date of Agreement]

TO EACH OF THE PURCHASERS LISTED IN
THE PURCHASER SCHEDULE HERETO:

Ladies and Gentlemen:

[_____] a [_____] corporation¹ (the “**Company**”), agrees with each of the Purchasers as follows:

¹ *Form Note:* If at any time a “Legal Entity Identifier” (LEI) is required for a specific issuer by any applicable national or global financial regulator with respect to financial transactions consisting of the

SECTION 1. AUTHORIZATION OF NOTES.

The Company will authorize the issue and sale of \$[_____] aggregate principal amount of its [_____] % Senior Notes due [_____, ____] (the “Notes”). The Notes shall be substantially in the form set out in Schedule 1. Certain capitalized and other terms used in this Agreement are defined in Schedule A and, for purposes of this Agreement, the rules of construction set forth in Section 23.4 shall govern.

SECTION 2. SALE AND PURCHASE OF NOTES .

Subject to the terms and conditions of this Agreement, the Company will issue and sell to each Purchaser and each Purchaser will purchase from the Company, at the Closing provided for in Section 3, Notes in the principal amount specified opposite such Purchaser’s name in the Purchaser Schedule at the purchase price of 100% of the principal amount thereof. The Purchasers’ obligations hereunder are several and not joint obligations and no Purchaser shall have any liability to any Person for the performance or non-performance of any obligation by any other Purchaser hereunder.

SECTION 3. CLOSING.

The sale and purchase of the Notes to be purchased by each Purchaser shall occur at the offices of [_____] , [Street Address], [City], [State] [ZIP], at [____]:00 a.m., [_____] time, at a closing (the “Closing”)² on [_____] , 20[____] or on such other Business Day thereafter on or prior to [_____] , 20[____] as may be agreed upon by the Company and the Purchasers. At the Closing the Company will deliver to each Purchaser the Notes to be purchased by such Purchaser in the form of a single Note (or such greater number of Notes in denominations of at least **[\$100,000]** as such Purchaser may request) dated the date of the Closing and registered in such Purchaser’s name (or in the name of its nominee),³ against delivery by such Purchaser to the Company or its order of immediately available funds in the amount of the purchase price therefor by wire transfer of immediately available funds for the account of the Company to account number [_____] at [_____] Bank, **[Insert Bank address, ABA number/Swift Code/IBAN for wire transfers, and any other**

issuance of securities (including a private placement of notes), then the LEI assigned to that issuer should be inserted after the legal name of the issuer appearing in the preamble of the Note Purchase Agreement.

² *Form Note:* If more than one Closing is contemplated, it is recommended that the word “applicable,” “each” or “such” be inserted before the word “Closing” where appropriate in the Note Purchase Agreement.

³ *Form Note:* In certain jurisdictions, notes registered in nominee name may not qualify for withholding tax exemption. It is recommended that special counsel for the Company advise prior to the Closing if the applicable Taxing Jurisdiction is such a jurisdiction.

relevant wire transfer information]. If at the Closing the Company shall fail to tender such Notes to any Purchaser as provided above in this Section 3, or any of the conditions specified in Section 4 shall not have been fulfilled to such Purchaser's satisfaction, such Purchaser shall, at its election, be relieved of all further obligations under this Agreement, without thereby waiving any rights such Purchaser may have by reason of any of the conditions specified in Section 4 not having been fulfilled to such Purchaser's satisfaction or such failure by the Company to tender such Notes.⁴

SECTION 4. CONDITIONS TO CLOSING.

Each Purchaser's obligation to purchase and pay for the Notes to be sold to such Purchaser at the Closing is subject to the fulfillment to such Purchaser's satisfaction, prior to or at the Closing, of the following conditions:

Section 4.1. Representations and Warranties. The representations and warranties of the Company in this Agreement shall be correct when made and at the Closing.

Section 4.2. Performance; No Default. The Company shall have performed and complied with all agreements and conditions contained in this Agreement required to be performed or complied with by it prior to or at the Closing. Before and after giving effect to the issue and sale of the Notes (and the application of the proceeds thereof as contemplated by Section 5.14), no Default or Event of Default shall have occurred and be continuing.⁵ Neither

4 *Form Note:* A common problem at complicated closings is the request of the issuer that the Purchasers maintain liquid funds available to fund the purchase of the Notes later in the day than the time at which one or more of the Purchasers will be able to reinvest the funds that it has set aside to purchase its Notes. Typically, Purchasers will not agree to hold funds available past the cut-off time for their reinvestment (which varies from Purchaser to Purchaser) unless the issuer has agreed to compensate the affected Purchaser for any lost interest earnings if they maintain liquid funds past their reinvestment deadlines and the Closing does not actually occur on that day. One vehicle for dealing with the problem on the scheduled Closing day is the provision by the Company of an indemnity letter. Under certain circumstances, it is possible to build such an indemnity provision into the Note Purchase Agreement.

5 *Form Note:* A request for a delayed funding is viewed by investors as an unusual request. An issuer seeking to have a delay between closing and funding should always make the request prior to circle to ensure appropriate consideration of the request. It is recommended that the language that appears below be used to replace Section 4.2 if it is anticipated that there will be a significant time-lag between the execution of the Note Purchase Agreement and the Closing and if any of the changes to the preambles to Sections 9 and 10 that are recommended in the Form Notes with respect to such time-lag are not made. The language regarding delayed funding is underlined.

“Section 4.2. Performance; No Default.

The Company shall have performed and complied with all agreements and conditions contained in this Agreement required to be performed or complied with by it prior to or at the Closing and from the date of this Agreement to the Closing assuming that Sections 9 and 10 are applicable from the date of this Agreement. From the date of this Agreement until the Closing, before and after giving effect to the issue

the Company nor any Subsidiary shall have entered into any transaction since the date of the Memorandum that would have been prohibited by Section 10 had such Section applied since such date.

Section 4.3. Compliance Certificates.

(a) *Officer's Certificate.* The Company shall have delivered to such Purchaser an Officer's Certificate, dated the date of the Closing, certifying that the conditions specified in Sections 4.1, 4.2 and 4.9 have been fulfilled.

(b) *Secretary's or Director's Certificate.* The Company shall have delivered to such Purchaser a certificate of its Secretary, an Assistant Secretary, a Director or another appropriate person, dated the date of the Closing, certifying as to (i) the resolutions attached thereto and other corporate proceedings relating to the authorization, execution and delivery of the Notes and this Agreement and (ii) the Company's organizational documents as then in effect.

Section 4.4. Opinions of Counsel. Such Purchaser shall have received opinions in form and substance satisfactory to such Purchaser, dated the date of the Closing (a) from (i) [_____], U.S. special counsel for the Company, and (ii) [_____], [_____] special counsel for the Company, substantially in the respective forms set forth in Schedules 4.4(a)(i) and 4.4(a)(ii) and covering such other matters incident to the transactions contemplated hereby as such Purchaser or its counsel may reasonably request (and the Company hereby instructs its counsel to deliver such opinions to the Purchasers) and (b) from [_____], the Purchasers' special counsel in connection with such transactions, substantially in the form set forth in Schedule 4.4(b) and covering such other matters incident to such transactions as such Purchaser may reasonably request.⁶

Section 4.5. Purchase Permitted By Applicable Law, Etc. On the date of the Closing such Purchaser's purchase of Notes shall (a) be permitted by the laws and regulations of each jurisdiction to which such Purchaser is subject, without recourse to provisions (such as section 1405(a)(8) of the New York Insurance Law) permitting limited investments by insurance companies without restriction as to the character of the particular investment, (b) not violate any applicable law or regulation (including Regulation T, U or X of the Board of Governors of the Federal Reserve System) and (c) not subject such Purchaser to any tax, penalty or liability under or pursuant to any applicable law or regulation, which law or regulation was not in effect on the

and sale of the Notes (and the application of the proceeds thereof as contemplated by Section 5.14), no Default or Event of Default shall have occurred and be continuing. Neither the Company nor any Subsidiary shall have entered into any transaction since the date of the Memorandum that would have been prohibited by Section 10 had such Section applied since such date.”

6 *Form Note:* In some jurisdictions or under unusual circumstances, Purchasers may require advice and a separate legal opinion from separate local counsel.

date hereof. If requested by such Purchaser, such Purchaser shall have received an Officer's Certificate certifying as to such matters of fact as such Purchaser may reasonably specify to enable such Purchaser to determine whether such purchase is so permitted.

Section 4.6. Sale of Other Notes. Contemporaneously with the Closing, the Company shall sell to each other Purchaser and each other Purchaser shall purchase the Notes to be purchased by it at the Closing as specified in the Purchaser Schedule.

Section 4.7. Payment of Special Counsel Fees.⁷ Without limiting Section 16.1, the Company shall have paid on or before the Closing the fees, charges and disbursements of the Purchasers' special counsel referred to in Section 4.4 to the extent reflected in a statement of such counsel rendered to the Company at least one Business Day prior to the Closing.

Section 4.8. Private Placement Number. A Private Placement Number issued by Standard & Poor's CUSIP Service Bureau (in cooperation with the SVO) shall have been obtained for the Notes.

Section 4.9. Changes in Corporate Structure. The Company shall not have changed its jurisdiction of incorporation or organization, as applicable, or been a party to any merger or consolidation or succeeded to all or any substantial part of the liabilities of any other entity, at any time following the date of the most recent financial statements referred to in Schedule 5.5.

Section 4.10. Funding Instructions. At least three Business Days prior to the date of the Closing, each Purchaser shall have received written instructions signed by a Responsible Officer on letterhead of the Company confirming the information specified in Section 3 including (i) the name and address of the transferee bank, (ii) such transferee bank's ABA number/Swift Code/IBAN and (iii) the account name and number into which the purchase price for the Notes is to be deposited.

Section 4.11. Acceptance of Appointment to Receive Service of Process. Such Purchaser shall have received evidence of the acceptance by [process agent] of the appointment and designation provided for by Section 23.7(e) for the period from the date of the Closing to [1 year after maturity of Notes] (and the payment in full of all fees in respect thereof).

Section 4.12. Proceedings and Documents. All corporate and other proceedings in connection with the transactions contemplated by this Agreement and all documents and instruments incident to such transactions shall be satisfactory to such Purchaser and its special counsel, and such Purchaser and its special counsel shall have received all such counterpart

⁷ *Form Note:* Payment of counsel fees at the Closing may be facilitated by the provision of an estimate early in the process with periodic updates thereafter.

originals or certified or other copies of such documents as such Purchaser or such special counsel may reasonably request.⁸

SECTION 5. REPRESENTATIONS AND WARRANTIES OF THE COMPANY.⁹

The Company represents and warrants to each Purchaser that:

Section 5.1. Organization; Power and Authority. The Company is a corporation duly organized, validly existing and, where applicable, in good standing under the laws of its jurisdiction of incorporation, and is duly qualified as a foreign corporation and, where applicable, is in good standing in each jurisdiction in which such qualification is required by law, other than those jurisdictions as to which the failure to be so qualified or in good standing could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. The

8 *Form Note:* Other closing conditions might be appropriate, depending on the circumstances of the particular transaction. Other possible conditions might include the completion of projects, the consummation of acquisitions or dispositions, the effectiveness of guaranties of the Notes by other Persons, the amendment of agreements, the receipt of specified governmental approvals, the obtaining of consents of creditors or satisfactory engineering or environmental reports, the consummation or repayment of other financings and the discharge and release of Liens. In addition, if the holders of the Notes will receive a Subsidiary Guaranty at the Closing that mirrors a pre-existing guaranty (or a similar credit support agreement) of a Material Credit Facility, then it is recommended that the following language be used:

“**Section 4.13 Subsidiary Guaranties.** As to each Subsidiary which on or before the date hereof had delivered a Guaranty pursuant to or is a borrower under any Material Credit Facility, the Company will cause each such Subsidiary to, on the date hereof, (a) enter into a Subsidiary Guaranty and (b) deliver the following to each Purchaser:

(i) an executed counterpart of such Subsidiary Guaranty;

(ii) a certificate signed by an authorized responsible officer of such Subsidiary containing representations and warranties on behalf of such Subsidiary to the same effect, *mutatis mutandis*, as those contained in Sections 5.1, 5.2, 5.6, 5.7 and 5.[] of this Agreement (but with respect to such Subsidiary and such Subsidiary Guaranty rather than the Company);

(iii) all such documents as may be reasonably requested by the Purchasers to evidence the due organization, continuing existence and good standing of such Subsidiary and the due authorization by all requisite action on the part of such Subsidiary of the execution and delivery of such Subsidiary Guaranty and the performance by such Subsidiary of its obligations thereunder; and

(iv) an opinion of counsel reasonably satisfactory to the Purchasers covering such matters relating to such Subsidiary and such Subsidiary Guaranty as the Purchasers may reasonably request.”

9 *Form Note:* Depending on the nature of any financial covenants that appear in Section 10, additional representations as to changes in the financial condition of the issuer since the date of its most recent audited financial statements may be appropriate. For example, if the financial covenants include a dividend limitation or an investment restriction, a representation as to dividends declared or paid or restricted investments made since the date of such financial statements might be appropriate.

Company has the corporate power and authority to own or hold under lease the properties it purports to own or hold under lease, to transact the business it transacts and proposes to transact, to execute and deliver this Agreement and the Notes and to perform the provisions hereof and thereof.

Section 5.2. Authorization, Etc. This Agreement and the Notes have been duly authorized by all necessary corporate action on the part of the Company, and this Agreement constitutes, and upon execution and delivery thereof each Note will constitute, a legal, valid and binding obligation of the Company enforceable against the Company in accordance with its terms, except as such enforceability may be limited by (i) applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and (ii) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

Section 5.3. Disclosure. The Company, through its agent, [_____], has delivered to each Purchaser a copy of a [**Private Placement Memorandum**], dated [_____] (the "**Memorandum**"), relating to the transactions contemplated hereby. The Memorandum fairly describes, in all material respects, the general nature of the business and principal properties of the Company and its Subsidiaries. This Agreement, the Memorandum, the financial statements listed in Schedule 5.5 and the documents, certificates or other writings delivered to the Purchasers by or on behalf of the Company prior to [**circle date**] in connection with the transactions contemplated hereby and identified in Schedule 5.3 (this Agreement, the Memorandum and such documents, certificates or other writings and such financial statements delivered to each Purchaser being referred to, collectively, as the "**Disclosure Documents**"), taken as a whole, do not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein not misleading in light of the circumstances under which they were made. Except as disclosed in the Disclosure Documents, since [**last audit date**]¹⁰, there has been no change in the financial condition, operations, business, properties or prospects of the Company or any Subsidiary except changes that could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. There is no fact known to the Company that could reasonably be expected to have a Material Adverse Effect that has not been set forth herein or in the Disclosure Documents.¹¹

Section 5.4. Organization and Ownership of Shares of Subsidiaries; Affiliates.
(a) Schedule 5.4 contains (except as noted therein) complete and correct lists of (i) the Company's Subsidiaries, showing, as to each Subsidiary, the name thereof, the jurisdiction of its organization, and the percentage of shares of each class of its capital stock or similar equity

10 *Form Note:* Normally insert the date of the last audited financial statements.

11 *Form Note:* If projections are included in the disclosure material, the parties may wish to provide that no representation is made as to the projections other than that the projections are based on information that the Company believes to be accurate and were calculated in a manner the Company believes to be reasonable.

interests outstanding owned by the Company and each other Subsidiary, (ii) the Company's Affiliates, other than Subsidiaries, and (iii) the Company's directors and senior officers.

(b) All of the outstanding shares of capital stock or similar equity interests of each Subsidiary shown in Schedule 5.4 as being owned by the Company and its Subsidiaries have been validly issued, are fully paid and non-assessable and are owned by the Company or another Subsidiary free and clear of any Lien that is prohibited by this Agreement.

(c) Each Subsidiary is a corporation or other legal entity duly organized, validly existing and, where applicable, in good standing under the laws of its jurisdiction of organization, and is duly qualified as a foreign corporation or other legal entity and, where applicable, is in good standing in each jurisdiction in which such qualification is required by law, other than those jurisdictions as to which the failure to be so qualified or in good standing could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Each such Subsidiary has the corporate or other power and authority to own or hold under lease the properties it purports to own or hold under lease and to transact the business it transacts and proposes to transact.

(d) No Subsidiary is subject to any legal, regulatory, contractual or other restriction (other than the agreements listed on Schedule 5.4 and customary limitations imposed by corporate law or similar statutes) restricting the ability of such Subsidiary to pay dividends out of profits or make any other similar distributions of profits to the Company or any of its Subsidiaries that owns outstanding shares of capital stock or similar equity interests of such Subsidiary.

Section 5.5. Financial Statements; Material Liabilities. The Company has delivered to each Purchaser copies of the financial statements of the Company and its Subsidiaries listed on Schedule 5.5. All of such financial statements (including in each case the related schedules and notes) fairly present in all material respects the consolidated financial position of the Company and its Subsidiaries as of the respective dates specified in such Schedule and the consolidated results of their operations and cash flows for the respective periods so specified and have been prepared in accordance with GAAP consistently applied throughout the periods involved except as set forth in the notes thereto (subject, in the case of any interim financial statements, to normal year-end adjustments). The Company and its Subsidiaries do not have any Material liabilities that are not disclosed in the Disclosure Documents.

Section 5.6. Compliance with Laws, Other Instruments, Etc. The execution, delivery and performance by the Company of this Agreement and the Notes will not (i) contravene, result in any breach of, or constitute a default under, or result in the creation of any Lien in respect of any property of the Company or any Subsidiary under, any indenture, mortgage, deed of trust, loan, purchase or credit agreement, lease, corporate charter, memorandum of association, articles of association, regulations or by-laws, shareholders agreement or any other agreement or instrument to which the Company or any Subsidiary is bound or by which the Company or any Subsidiary or any of their respective properties may be bound or affected, (ii) conflict with or result in a breach of any of the terms, conditions or provisions of any order, judgment, decree or ruling of any court, arbitrator or Governmental Authority applicable to the Company or any

Subsidiary or (iii) violate any provision of any statute or other rule or regulation of any Governmental Authority applicable to the Company or any Subsidiary.

Section 5.7. Governmental Authorizations, Etc. No consent, approval or authorization of, or registration, filing or declaration with, any Governmental Authority is required in connection with the execution, delivery or performance by the Company of this Agreement or the Notes, including any thereof required in connection with the obtaining of Dollars to make payments under this Agreement or the Notes and the payment of such Dollars to Persons resident in the United States of America. It is not necessary to ensure the legality, validity, enforceability or admissibility into evidence in [] of this Agreement or the Notes that any thereof or any other document be filed, recorded or enrolled with any Governmental Authority, or that any such agreement or document be stamped with any stamp, registration or similar transaction tax [other than any applicable [] Registration Duty (currently in the amount [here describe]) that may be required in connection with admissibility into evidence].

Section 5.8. Litigation; Observance of Agreements, Statutes and Orders. (a) There are no actions, suits, investigations or proceedings pending or, to the best knowledge of the Company, threatened against or affecting the Company or any Subsidiary or any property of the Company or any Subsidiary in any court or before any arbitrator of any kind or before or by any Governmental Authority that could, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.¹²

(b) Neither the Company nor any Subsidiary is (i) in default under any agreement or instrument to which it is a party or by which it is bound, (ii) in violation of any order, judgment, decree or ruling of any court, arbitrator or Governmental Authority or (iii) in violation of any applicable law, ordinance, rule or regulation of any Governmental Authority (including Environmental Laws, the USA PATRIOT Act or any of the other laws and regulations that are referred to in Section 5.16), which default or violation could, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Section 5.9. Taxes. (a) The Company and its Subsidiaries have filed all tax returns that are required to have been filed in any jurisdiction, and have paid all taxes shown to be due and payable on such returns and all other taxes and assessments levied upon them or their properties, assets, income or franchises, to the extent such taxes and assessments have become due and payable and before they have become delinquent, except for any taxes and assessments (i) the amount of which, individually or in the aggregate, is not Material or (ii) the amount, applicability or validity of which is currently being contested in good faith by appropriate proceedings and with respect to which the Company or a Subsidiary, as the case may be, has established adequate reserves in accordance with GAAP. The Company knows of no basis for any other tax or

¹⁶ *Form Note:* Where the Company is relying on Rule 506 of Regulation D under the Securities Act with respect to the offering of the Notes, it is recommended that the following representation and warranty be added to Section 5.13 to give assurances that the "Bad Actors" provisions of Rule 506(d) will not disqualify the offering of Notes from reliance on Rule 506:

"None of the Company, any of its predecessors, any affiliated issuer, any director, executive officer, other officer of the Company participating in the offering, any beneficial owner of 20% or more of the Company's outstanding voting equity securities, calculated on the basis of voting power, nor any promoter (as that term is defined in Rule 405 under the Securities Act) connected with the Company in any capacity at the time of the Closing (each, an "**Issuer Covered Person**" and, together, "**Issuer Covered Persons**") is subject to any of the "Bad Actor" disqualifications described in Rule 506(d)(1)(i) to (viii) under the Securities Act (a "**Disqualification Event**"), except for a Disqualification Event covered by Rule 506(d)(2)

Margin stock does not constitute more than []% of the value of the consolidated assets of the Company and its Subsidiaries and the Company does not have any present intention that margin stock will constitute more than []% of the value of such assets.¹⁷ As used in this Section, the terms “margin stock” and “purpose of buying or carrying” shall have the meanings assigned to them in said Regulation U.

Neither the Company nor any Subsidiary is in default and no waiver of default is currently in effect, in the payment of any principal or interest on any Indebtedness of the Company or such Subsidiary and no event or condition exists with respect to any Indebtedness of the Company or any Subsidiary that would permit (or that with notice or the lapse of time, or both, would permit) one or more Persons to cause such Indebtedness to become due and payable before its stated maturity or before its regularly scheduled dates of payment.¹⁹

(b) Except as disclosed in Schedule 5.15, neither the Company nor any Subsidiary has agreed or consented to cause or permit any of its property, whether now owned or hereafter

18 *Form Note:* If the Company has a particularly complicated debt structure, or if there is significant indebtedness at Subsidiary levels, or if the financing is clearly being structured to fit within exceptions available under existing restrictive financial covenants of the Company, it may be appropriate to include additional representations as to the nature of and the agreements governing existing debt obligations.

19 *Form Note:* Companies with complicated debt structures often want Schedule 5.15 to speak as of the end of the most recent month or quarter. Purchasers may prefer in certain circumstances that the Schedule speak as of the Closing.

(i) constitutes or will constitute funds obtained on behalf of any Blocked Person or will otherwise be used by the Company or any Controlled Entity, directly or indirectly, (A) in connection with any investment in, or any transactions or dealings with, any Blocked Person, (B) for any purpose that would cause any Purchaser to be in violation of any U.S. Economic Sanctions Laws or (C) otherwise in violation of any U.S. Economic Sanctions Laws;

(ii) will be used, directly or indirectly, in violation of, or cause any Purchaser to be in violation of, any applicable Anti-Money Laundering Laws; or

(iii) will be used, directly or indirectly, for the purpose of making any improper payments, including bribes, to any Governmental Official or commercial counterparty in order to obtain, retain or direct business or obtain any improper advantage, in each case which would be in violation of, or cause any Purchaser to be in violation of, any applicable Anti-Corruption Laws.

(d) The Company has established procedures and controls which it reasonably believes are adequate (and otherwise comply with applicable law) to ensure that the Company and each Controlled Entity is and will continue to be in compliance with all applicable U.S. Economic Sanctions Laws, Anti-Money Laundering Laws and Anti-Corruption Laws.

Section 5.17. Status under Certain Statutes. Neither the Company nor any Subsidiary is subject to regulation under the Investment Company Act of 1940, the Public Utility Holding Company Act of 2005, the ICC Termination Act of 1995, or the Federal Power Act.

(b) Neither the Company nor any Subsidiary has knowledge of any facts which would give rise to any claim, public or private, of violation of Environmental Laws or damage to the environment emanating from, occurring on or in any way related to real properties now or formerly owned, leased or operated by any of them or to other assets or their use, except, in each case, such as could not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect.

(c) Neither the Company nor any Subsidiary has stored any Hazardous Materials on real properties now or formerly owned, leased or operated by any of them in a manner which is contrary to any Environmental Law that could, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect.

Section 5.19. Ranking of Obligations. The Company's payment obligations under this Agreement and the Notes will, upon issuance of the Notes, rank at least pari passu, without preference or priority, with all other unsecured and unsubordinated Indebtedness of the Company.²⁰

²⁰ *Form Note:* In some jurisdictions Purchasers may prefer an expanded version of this representation (and the corresponding affirmative covenant in Section 9.8) that extends beyond Indebtedness to "payment obligations" in order to ascertain which, if any, payment obligations are preferred under local law. In such cases a Schedule of such preferred payment obligations would be appropriate.

SECTION 6. REPRESENTATIONS OF THE PURCHASERS.

Each Purchaser severally represents that it is purchasing the Notes for its own account or for one or more separate accounts maintained by such Purchaser or for the account of one or more pension or trust funds and not with a view to the distribution thereof, *provided* that the disposition of such Purchaser's or their property shall at all times be within such Purchaser's or their control. Each Purchaser understands that the Notes have not been registered under the Securities Act and may be resold only if registered pursuant to the provisions of the Securities Act or if an exemption from registration is available, except under circumstances where neither such registration nor such an exemption is required by law, and that the Company is not required to register the Notes.

“The Company shall permit the representatives of *each Purchaser and* each holder of a Note that is an Institutional Investor.”

Section 7.4. Electronic Delivery. Financial statements, opinions of independent certified public accountants, other information and Officer's Certificates that are required to be delivered by the Company pursuant to Sections 7.1(a), (b) or (c) and Section 7.2 shall be deemed to have been delivered if the Company satisfies any of the following requirements with respect thereto:

(a) such financial statements satisfying the requirements of Section 7.1(a) or (b) and related Officer's Certificate satisfying the requirements of Section 7.2 and any other information required under Section 7.1(c) are delivered to each holder²⁹ of a Note by e-mail at the e-mail address set forth in such holder's Purchaser Schedule or as communicated from time to time in a separate writing delivered to the Company; or

(b) such financial statements satisfying the requirements of Section 7.1(a) or Section 7.1(b) and related Officer's Certificate(s) satisfying the requirements of Section 7.2 and any other information required under Section 7.1(c) are timely posted by or on behalf of the Company on IntraLinks or on any other similar website to which each holder of Notes has free access or are made available on its home page on the internet, which is located at [http://\[_____\] .com](http://[_____] .com) as of the date of this Agreement;

provided however, that in no case shall access to such financial statements, other information and Officer's Certificates be conditioned upon any waiver or other agreement or consent (other than confidentiality provisions consistent with Section 21 of this Agreement); *provided further*, that in the case of clause (b), the Company shall have given each holder of a Note prior written notice, which may be by e-mail or in accordance with Section 19, of such posting or availability in connection with each delivery; and *provided further*, that upon request of any holder to receive paper copies of such forms, financial statements, other information and Officer's Certificates or to receive them by e-mail, the Company will promptly e-mail them or deliver such paper copies, as the case may be, to such holder.

Section 7.5. Limitation on Disclosure Obligation. The Company shall not be required to disclose the following information pursuant to Section 7.1(c)(i)(x), 7.1(h) or 7.3:

²⁹ *Form Note:* It is recommended that the words "Purchaser or" be inserted before the word, "holder" if it is anticipated that there will be a significant time-lag between the execution of the Note Purchase Agreement and the Closing.

(b) information that, notwithstanding the confidentiality requirements of Section 21, the Company is prohibited from disclosing by the terms of an obligation of confidentiality contained in any agreement with any non-Affiliate binding upon the Company and not entered into in contemplation of this clause (b), *provided* that the Company shall use commercially reasonable efforts to obtain consent from the party in whose favor the obligation of confidentiality was made to permit the disclosure of the relevant information and provided further that the Company has received a written opinion of counsel confirming that disclosure of such information without consent from such other contractual party would constitute a breach of such agreement.

Promptly after a request therefor from any holder of Notes that is an Institutional Investor, the Company will provide such holder with a written opinion of counsel (which may be addressed to the Company) relied upon as to any requested information that the Company is prohibited from disclosing to such holder under circumstances described in this Section 7.5.

SECTION 8. PAYMENT AND PREPAYMENT OF THE NOTES.³⁰

Section 8.1. [Required Prepayments;] Maturity. [On [_____] , 20[___] and on each [_____] thereafter to and including [_____] , 20[___]³¹ the Company will prepay \$[_____] principal amount (or such lesser principal amount as shall then be outstanding) of the Notes at par and without payment of the Make-Whole Amount or any premium, *provided* that upon any partial prepayment of the Notes pursuant to Section 8.2, Section 8.3 or Section 8.4³² or partial purchase of the Notes pursuant to Section 8.7 (provided Section 8.7 has been amended pursuant to Section 18.1(c) to permit purchases of the Notes), the principal amount of each required prepayment of the Notes becoming due under this Section 8.1 on and after the date of such prepayment shall be reduced in the same proportion as the aggregate unpaid principal amount of the Notes is reduced as a result of such prepayment or purchase.³³]

30 *Form Note:* This form does not include any provisions for prepayment of the Notes in unusual circumstances (other than pursuant to Section 8.3 or Section 8.4), such as change in control put rights. Such provisions are a matter for individual negotiation in circumstances in which such provisions are appropriate. If the Company's bank lenders have a change of control put right, a most favored lender clause, etc., it is recommended that the Purchasers consider whether the Note Purchase Agreement should also include such provisions.

31 *Form Note:* Insert the date of the last required prepayment, not the date of the final maturity, of the Notes.

32 *Form Note:* If there are other prepayment put rights such as Change of Control, references to such Sections should be included here.

33 *Form Note:* The proviso to Section 8.1 is designed to prevent prepayments of Notes by the Company from reducing the average life to maturity of the Notes remaining outstanding after giving effect to such prepayment.

As provided therein, the entire unpaid principal balance of each Note shall be due and payable on the Maturity Date thereof.

Section 8.2. Optional Prepayments with Make-Whole Amount.³⁴ The Company may, at its option, upon notice as provided below, prepay at any time all, or from time to time any part of, the Notes, in an amount not less than []% of the aggregate principal amount of the Notes then outstanding in the case of a partial prepayment, at 100% of the principal amount so prepaid, and the Make-Whole Amount determined for the prepayment date with respect to such principal amount. The Company will give each holder of Notes written notice of each optional prepayment under this Section 8.2 not less than 10 days and not more than 60 days prior to the date fixed for such prepayment unless the Company and the Required Holders agree to another time period pursuant to Section 18. Each such notice shall specify such date (which shall be a Business Day), the aggregate principal amount of the Notes to be prepaid on such date, the principal amount of each Note held by such holder to be prepaid (determined in accordance with Section 8.5), and the interest to be paid on the prepayment date with respect to such principal amount being prepaid, and shall be accompanied by a certificate of a Senior Financial Officer as to the estimated Make-Whole Amount due in connection with such prepayment (calculated as if the date of such notice were the date of the prepayment), setting forth the details of such computation. Two Business Days prior to such prepayment, the Company shall deliver to each holder of Notes a certificate of a Senior Financial Officer specifying the calculation of such Make-Whole Amount as of the specified prepayment date.

Section 8.3. Prepayment for Tax Reasons. (a) If at any time as a result of a Change in Tax Law (as defined below) the Company is or becomes obligated to make any Additional Payments (as defined below) in respect of any payment of interest on account of any of the Notes [in an aggregate amount for all affected Notes equal to __% or more of the aggregate amount of such interest payment on account of all of the Notes], the Company may give the holders of all affected Notes irrevocable written notice (each, a "**Tax Prepayment Notice**") of the prepayment of such affected Notes on a specified prepayment date (which shall be a Business Day not less than 30 days nor more than 60 days after the date of such notice) and the circumstances giving rise to the obligation of the Company to make any Additional Payments and the amount thereof and stating that all of the affected Notes shall be prepaid on the date of such prepayment at 100% of the principal amount so prepaid together with interest accrued thereon to the date of such prepayment plus an amount equal to the [Modified] Make-Whole Amount for each such Note, except in the case of an affected Note if the holder of such Note shall, by written notice given to the Company no more than 20 days after receipt of the Tax Prepayment Notice, reject such prepayment of such Note (each, a "**Rejection Notice**"). Such Tax Prepayment Notice shall be accompanied by a certificate of a Senior Financial Officer as to the estimated [Modified] Make-Whole Amount due in connection with such prepayment (calculated as if the date of such notice were the date of the prepayment), setting forth the details of such computation. The form of

34 *Form Note:* This form provides that optional payments pursuant to Section 8.2 are applied to future required prepayments pro rata and not in inverse order of maturity.

Rejection Notice shall also accompany the Tax Prepayment Notice and shall state with respect to each Note covered thereby that execution and delivery thereof by the holder of such Note shall operate as a permanent waiver of such holder's right to receive the Additional Payments arising as a result of the circumstances described in the Tax Prepayment Notice in respect of all future payments of interest on such Note (but not of such holder's right to receive any Additional Payments that arise out of circumstances not described in the Tax Prepayment Notice or which exceed the amount of the Additional Payment described in the Tax Prepayment Notice), which waiver shall be binding upon all subsequent transferees of such Note. The Tax Prepayment Notice having been given as aforesaid to each holder of the affected Notes, the principal amount of such Notes together with interest accrued thereon to the date of such prepayment plus the [Modified] Make-Whole Amount shall become due and payable on such prepayment date, except in the case of Notes the holders of which shall timely give a Rejection Notice as aforesaid. Two Business Days prior to such prepayment, the Company shall deliver to each holder of a Note being so prepaid a certificate of a Senior Financial Officer specifying the calculation of such [Modified] Make-Whole Amount as of such prepayment date.

(b) No prepayment of the Notes pursuant to this Section 8.3 shall affect the obligation of the Company to pay Additional Payments in respect of any payment made on or prior to the date of such prepayment. For purposes of this Section 8.3, any holder of more than one affected Note may act separately with respect to each affected Note so held (with the effect that a holder of more than one affected Note may accept such offer with respect to one or more affected Notes so held and reject such offer with respect to one or more other affected Notes so held).

(c) The Company may not offer to prepay or prepay Notes pursuant to this Section 8.3 (i) if a Default or Event of Default then exists, (ii) until the Company shall have taken commercially reasonable steps to mitigate the requirement to make the related Additional Payments or (iii) if the obligation to make such Additional Payments directly results or resulted from actions taken by the Company or any Subsidiary (other than actions required to be taken under applicable law), and any Tax Prepayment Notice given pursuant to this Section 8.3 shall certify to the foregoing and describe such mitigation steps, if any.

(d) For purposes of this Section 8.3: “**Additional Payments**” means additional amounts required to be paid to a holder of any Note pursuant to Section 13 by reason of a Change in Tax Law; and a “**Change in Tax Law**” means (individually or collectively with one or more prior changes) (i) an amendment to, or change in, any law, treaty, rule or regulation of _____ after the date of the Closing, or an amendment to, or change in, an official interpretation or application of such law, treaty, rule or regulation after the date of the Closing, which amendment or change is in force and continuing and meets the opinion and certification requirements described below or (ii) in the case of any other jurisdiction that becomes a Taxing Jurisdiction after the date of the Closing, an amendment to, or change in, any law, treaty, rule or regulation of such jurisdiction, or an amendment to, or change in, an official interpretation or application of such law, treaty, rule or regulation, in any case after such jurisdiction shall have become a Taxing Jurisdiction, which amendment or change is in force and continuing and meets such opinion and certification requirements. No such amendment or change shall constitute a Change in Tax Law unless the same would in the opinion of the Company (which shall be evidenced by an Officer’s Certificate of the Company and supported by a written opinion of

counsel having recognized expertise in the field of taxation in the Taxing Jurisdiction, both of which shall be delivered to all holders of the Notes prior to or concurrently with the Tax Prepayment Notice in respect of such Change in Tax Law) affect the deduction or require the withholding of any Tax imposed by such Taxing Jurisdiction on any payment payable on the Notes.

Section 8.4 Prepayment in Connection with a Noteholder Sanctions Event.

(a) Upon the Company's receipt of notice from any Affected Noteholder that a Noteholder Sanctions Event has occurred (which notice shall refer specifically to this Section 8.4(a) and describe in reasonable detail such Noteholder Sanctions Event), the Company shall promptly, and in any event within 10 Business Days, make an offer (the "**Sanctions Prepayment Offer**") to prepay the entire unpaid principal amount of Notes held by such Affected Noteholder (the "**Affected Notes**"), together with interest thereon to the prepayment date selected by the Company with respect to each Affected Note but without payment of any Make-Whole Amount [or Modified Make-Whole Amount] with respect thereto, which prepayment shall be on a Business Day not less than 30 days and not more than 60 days after the date of the Sanctions Prepayment Offer (the "**Sanctions Prepayment Date**"). Such Sanctions Prepayment Offer shall provide that such Affected Noteholder notify the Company in writing by a stated date (the "**Sanctions Prepayment Response Date**"), which date is not later than 10 Business Days prior to the stated Sanctions Prepayment Date, of its acceptance or rejection of such prepayment offer. If such Affected Noteholder does not notify the Company as provided above, then the holder shall be deemed to have accepted such offer.

(b) Subject to the provisions of subparagraphs (c) and (d) of this Section 8.4, the Company shall prepay on the Sanctions Prepayment Date the entire unpaid principal amount of the Affected Notes held by such Affected Noteholder who has accepted such prepayment offer (in accordance with subparagraph (a)), together with interest thereon to the Sanctions Prepayment Date with respect to each such Affected Note, but without payment of any Make-Whole Amount [or Modified Make-Whole Amount] with respect thereto.

(c) If a Noteholder Sanctions Event has occurred but the Company and/or its Controlled Entities have taken such action(s) in relation to their activities so as to remedy such Noteholder Sanctions Event (with the effect that a Noteholder Sanctions Event no longer exists, as reasonably determined by such Affected Noteholder) prior to the Sanctions Prepayment Date, then the Company shall no longer be obliged to prepay such Affected Notes in relation to such Noteholder Sanctions Event. If the Company and/or its Controlled Entities shall undertake any actions to remedy any such Noteholder Sanctions Event, the Company shall keep the holders reasonably and timely informed of such actions and the results thereof.

(d) If any Affected Noteholder that has given written notice to the Company of its acceptance of (or has been deemed to have accepted) the Company's prepayment offer in accordance with subparagraph (a) also gives notice to the Company prior to the relevant Sanctions Prepayment Date that it has determined (in its sole discretion) that it requires clearance from any United States Governmental Authority in order to receive a prepayment pursuant to this Section 8.4, the principal amount of each Note held by such Affected Noteholder, together with interest accrued thereon to the date of prepayment, shall become due and payable on the later to

occur of (i) such Sanctions Prepayment Date and (ii) the date that is 10 Business Days after such Affected Noteholder gives notice to the Company that it is entitled to receive a prepayment pursuant to this Section 8.4 (which may include payment to an escrow account designated by such Affected Noteholder to be held in escrow for the benefit of such Affected Noteholder until such Affected Noteholder obtains such clearance from such United States Governmental Authority), and in any event, any such delay in accordance with the foregoing clause (ii) shall not be deemed to give rise to any Default or Event of Default.

(e) Promptly, and in any event within 5 Business Days, after the Company's receipt of notice from any Affected Noteholder that a Noteholder Sanctions Event shall have occurred with respect to such Affected Noteholder, the Company shall forward a copy of such notice to each other holder of Notes.

(f) The Company shall promptly, and in any event within 10 Business Days, give written notice to the holders after the Company or any Controlled Entity having been notified that (i) its name appears or may in the future appear on a State Sanctions List or (ii) it is in violation of, or is subject to the imposition of sanctions under, any U.S. Economic Sanctions Laws, in each case which notice shall describe the facts and circumstances thereof and set forth the action, if any, that the Company or a Controlled Entity proposes to take with respect thereto.

(g) The foregoing provisions of this Section 8.4 shall be in addition to any rights or remedies available to any holder of Notes that may arise under this Agreement as a result of the occurrence of a Noteholder Sanctions Event; *provided*, that, if the Notes shall have been declared due and payable pursuant to Section 12.1 as a result of the events, conditions or actions of the Company or its Controlled Entities that gave rise to a Noteholder Sanctions Event, the remedies set forth in Section 12 shall control.³⁵

Section 8.5. Allocation of Partial Prepayments. In the case of each partial prepayment of the Notes pursuant to [Section 8.1 or]³⁶ Section 8.2, the principal amount of the Notes to be prepaid shall be allocated among all of the Notes at the time outstanding in proportion, as nearly as practicable, to the respective unpaid principal amounts thereof not theretofore called for prepayment.³⁷

³⁵ *Form Note:* It is recommended that the words "Purchaser or" be inserted before the word, "holder" in each of clauses (e), (f) and (g) of Section 8.4 if it is anticipated that there will be a significant time-lag between the execution of the Note Purchase Agreement and the Closing.

³⁶ *Form Note:* Please see Section 8.1 of this form. If the Note Purchase Agreement for a transaction does not require sinking fund payments, such that the first paragraph of Section 8.1 is deleted for the purposes of such transaction, then "[Section 8.1 or]" should be deleted from Section 8.5. Otherwise, the reference to Section 8.1 should be retained and the brackets should be removed in Section 8.5.

³⁷ *Form Note.* If the Note Purchase Agreement for a transaction allows for prepayment of Notes by series or contains a mandatory offer to prepay provision that gives the holders of the Notes the option to accept or reject such offer to prepay, then it is recommended that the following sentence be added at the end of Section 8.5:

Section 8.6. Maturity; Surrender, Etc. In the case of each prepayment of Notes pursuant to this Section 8, the principal amount of each Note to be prepaid shall mature and become due and payable on the date fixed for such prepayment, together with interest on such principal amount accrued to such date and the applicable Make-Whole Amount [or Modified Make-Whole Amount], if any. From and after such date, unless the Company shall fail to pay such principal amount when so due and payable, together with the interest and Make-Whole Amount [or Modified Make-Whole Amount], if any, as aforesaid, interest on such principal amount shall cease to accrue. Any Note paid or prepaid in full shall be surrendered to the Company and cancelled and shall not be reissued, and no Note shall be issued in lieu of any prepaid principal amount of any Note.

Section 8.7. Purchase of Notes. The Company will not and will not permit any Affiliate to purchase, redeem, prepay or otherwise acquire, directly or indirectly, any of the outstanding Notes except upon the payment or prepayment of the Notes in accordance with this Agreement and the Notes. The Company will promptly cancel all Notes acquired by it or any Affiliate pursuant to any payment or prepayment of Notes pursuant to this Agreement and no Notes may be issued in substitution or exchange for any such Notes.

Section 8.8. Make-Whole Amount [and Modified Make-Whole Amount].

The term[s] “**Make-Whole Amount**” and “**Modified] Make-Whole Amount**” mean[s], with respect to any Note, an amount equal to the excess, if any, of the Discounted Value of the Remaining Scheduled Payments with respect to the Called Principal of such Note over the amount of such Called Principal, *provided* that [the/neither the Make-Whole Amount nor the Modified] Make-Whole Amount may in [no/any] event be less than zero. For the purposes of determining the Make-Whole Amount [and/or Modified Make-Whole Amount], the following terms have the following meanings:

“**Applicable Percentage**” [in the case of a computation of the Modified Make-Whole Amount for purposes of Section 8.3] means ___% (___ basis points)[, and in the case of a computation of the Make-Whole Amount for any other purpose] means ___% (___ basis points)].

“**Called Principal**” means, with respect to any Note, the principal of such Note that is to be prepaid pursuant to Section 8.2 or Section 8.3 or has become or is declared to be immediately due and payable pursuant to Section 12.1, as the context requires.

“**Discounted Value**” means, with respect to the Called Principal of any Note, the amount obtained by discounting all Remaining Scheduled Payments with respect to such Called Principal

(.continued)

“In the case of each partial prepayment of the Notes pursuant to Section 8.___, the principal amount of the Notes to be prepaid shall be allocated among all of the Notes being prepaid at the such time ~~outstanding~~ in proportion, as nearly as practicable, to the respective unpaid principal amounts thereof not theretofore called for prepayment.”

from their respective scheduled due dates to the Settlement Date with respect to such Called Principal, in accordance with accepted financial practice and at a discount factor (applied on the same periodic basis as that on which interest on the Notes is payable) equal to the Reinvestment Yield with respect to such Called Principal.

“Reinvestment Yield” means, with respect to the Called Principal of any Note, the sum of the (x) Applicable Percentage plus (y) the yield to maturity implied by the “Ask Yield(s)” reported as of 10:00 a.m. (New York City time) on the second Business Day preceding the Settlement Date with respect to such Called Principal, on the display designated as “Page PX1”³⁸ (or such other display as may replace Page PX1) on Bloomberg Financial Markets for the most recently issued actively traded on-the-run U.S. Treasury securities (**“Reported”**) having a maturity equal to the Remaining Average Life of such Called Principal as of such Settlement Date. If there are no such U.S. Treasury securities Reported having a maturity equal to such Remaining Average Life, then such implied yield to maturity will be determined by (a) converting U.S. Treasury bill quotations to bond equivalent yields in accordance with accepted financial practice and (b) interpolating linearly between the “Ask Yields” Reported for the applicable most recently issued actively traded on-the-run U.S. Treasury securities with the maturities (1) closest to and greater than such Remaining Average Life and (2) closest to and less than such Remaining Average Life. The Reinvestment Yield shall be rounded to the number of decimal places as appears in the interest rate of the applicable Note.

If such yields are not Reported or the yields Reported as of such time are not ascertainable (including by way of interpolation), then **“Reinvestment Yield”** means, with respect to the Called Principal of any Note, the sum of (x) the Applicable Percentage plus (y) the yield to maturity implied by the U.S. Treasury constant maturity yields reported, for the latest day for which such yields have been so reported as of the second Business Day preceding the Settlement Date with respect to such Called Principal, in Federal Reserve Statistical Release H.15 (or any comparable successor publication) for the U.S. Treasury constant maturity having a term equal to the Remaining Average Life of such Called Principal as of such Settlement Date. If there is no such U.S. Treasury constant maturity having a term equal to such Remaining Average Life, such implied yield to maturity will be determined by interpolating linearly between (1) the U.S. Treasury constant maturity so reported with the term closest to and greater than such Remaining Average Life and (2) the U.S. Treasury constant maturity so reported with the term closest to and less than such Remaining Average Life. The Reinvestment Yield shall be rounded to the number of decimal places as appears in the interest rate of the applicable Note.

“Remaining Average Life” means, with respect to any Called Principal, the number of years obtained by dividing (i) such Called Principal into (ii) the sum of the products obtained by multiplying (a) the principal component of each Remaining Scheduled Payment with respect to

38 *Form Note:* Page PX1 on Bloomberg Financial Markets is frequently used in Note Purchase Agreements as the primary source for market data. However, other pages on other services may be appropriate sources for market data.

such Called Principal by (b) the number of years, computed on the basis of a 360-day year comprised of twelve 30-day months and calculated to two decimal places, that will elapse between the Settlement Date with respect to such Called Principal and the scheduled due date of such Remaining Scheduled Payment.

“Remaining Scheduled Payments” means, with respect to the Called Principal of any Note, all payments of such Called Principal and interest thereon that would be due after the Settlement Date with respect to such Called Principal if no payment of such Called Principal were made prior to its scheduled due date, *provided* that if such Settlement Date is not a date on which interest payments are due to be made under the Notes, then the amount of the next succeeding scheduled interest payment will be reduced by the amount of interest accrued to such Settlement Date and required to be paid on such Settlement Date pursuant to Section 8.2, 8.3 or Section 12.1.

“Settlement Date” means, with respect to the Called Principal of any Note, the date on which such Called Principal is to be prepaid pursuant to Section 8.2 or Section 8.3 or has become or is declared to be immediately due and payable pursuant to Section 12.1, as the context requires.

Section 8.9. Payments Due on Non-Business Days. Anything in this Agreement or the Notes to the contrary notwithstanding, (x) subject to clause (y), any payment of interest on any Note that is due on a date that is not a Business Day shall be made on the next succeeding Business Day without including the additional days elapsed in the computation of the interest payable on such next succeeding Business Day; and (y) any payment of principal of or Make-Whole Amount [or Modified Make-Whole Amount] on any Note (including principal due on the Maturity Date of such Note) that is due on a date that is not a Business Day shall be made on the next succeeding Business Day and shall include the additional days elapsed in the computation of interest payable on such next succeeding Business Day.³⁹

SECTION 9. AFFIRMATIVE COVENANTS.

The Company covenants that so long as any of the Notes are outstanding:⁴⁰

³⁹ *Form Note:* Clause (y) of Section 8.9 is necessary to ensure that if a sinking fund payment is due on a date that is not a Business Day, the interest on such sinking fund payment that is required to be paid shall include the additional days elapsed in the computation of interest payable on such next succeeding Business Day because if that were not required, the holder would never collect interest on such sinking fund payment for such additional days elapsed (unlike the situation described in clause (x) of Section 8.9, where the holder would collect such interest on the next scheduled interest payment date).

⁴⁰ *Form Note:* It is recommended that the language that appears below be used to replace the introductory sentence of Section 9 if it is anticipated that there will be a significant time-lag between the execution of the Note Purchase Agreement and the Closing:

“From the date of this Agreement until the Closing and thereafter, so long as any of the Notes are outstanding, *the Company covenants that:*”

Section 9.1. Compliance with Laws. Without limiting Section 10.4, the Company will, and will cause each of its Subsidiaries to, comply with all laws, ordinances or governmental rules or regulations to which each of them is subject (including ERISA, Environmental Laws, the USA PATRIOT Act and the other laws and regulations that are referred to in Section 5.16), and will obtain and maintain in effect all licenses, certificates, permits, franchises and other governmental authorizations necessary to the ownership of their respective properties or to the conduct of their respective businesses, in each case to the extent necessary to ensure that non-compliance with such laws, ordinances or governmental rules or regulations or failures to obtain or maintain in effect such licenses, certificates, permits, franchises and other governmental authorizations could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Section 9.2. Insurance. The Company will, and will cause each of its Subsidiaries to, maintain, with financially sound and reputable insurers, insurance with respect to their respective properties and businesses against such casualties and contingencies, of such types, on such terms and in such amounts (including deductibles, co-insurance and self-insurance, if adequate reserves are maintained with respect thereto) as is customary in the case of entities of established reputations engaged in the same or a similar business and similarly situated.

Section 9.3. Maintenance of Properties. The Company will, and will cause each of its Subsidiaries to, maintain and keep, or cause to be maintained and kept, their respective properties in good repair, working order and condition (other than ordinary wear and tear), so that the business carried on in connection therewith may be properly conducted at all times, *provided* that this Section 9.3 shall not prevent the Company or any Subsidiary from discontinuing the operation and the maintenance of any of its properties if such discontinuance is desirable in the conduct of its business and the Company has concluded that such discontinuance could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Section 9.4. Payment of Taxes and Claims. The Company will, and will cause each of its Subsidiaries to, file all tax returns required to be filed in any jurisdiction and to pay and discharge all taxes shown to be due and payable on such returns and all other taxes, assessments, governmental charges, or levies imposed on them or any of their properties, assets, income or franchises, to the extent the same have become due and payable and before they have become delinquent and all claims for which sums have become due and payable that have or might become a Lien on properties or assets of the Company or any Subsidiary, *provided* that neither

It is also recommended that the following language be added at the end of Section 9 if it is anticipated that there will be a significant time-lag between the execution of the Note Purchase Agreement and the Closing:

“Although it will not be a Default or an Event of Default if the Company fails to comply with any provision of Section 9 on or after the date of this Agreement and prior to the Closing, if such a failure occurs, then any of the Purchasers may elect not to purchase the Notes on the date of Closing that is specified in Section 3.”

the Company nor any Subsidiary need pay any such tax, assessment, charge, levy or claim if (i) the amount, applicability or validity thereof is contested by the Company or such Subsidiary on a timely basis in good faith and in appropriate proceedings, and the Company or a Subsidiary has established adequate reserves therefor in accordance with GAAP on the books of the Company or such Subsidiary or (ii) the nonpayment of all such taxes, assessments, charges, levies and claims could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Section 9.5. Corporate Existence, Etc. Subject to Section 10.2, the Company will at all times preserve and keep its corporate existence in full force and effect. Subject to Sections 10.2 and [____],⁴¹ the Company will at all times preserve and keep in full force and effect the corporate existence of each of its Subsidiaries (unless merged into the Company or a Wholly-Owned Subsidiary) and all rights and franchises of the Company and its Subsidiaries unless, in the good faith judgment of the Company, the termination of or failure to preserve and keep in full force and effect such corporate existence, right or franchise could not, individually or in the aggregate, have a Material Adverse Effect.

Section 9.6. Books and Records. The Company will, and will cause each of its Subsidiaries to, maintain proper books of record and account in conformity with GAAP and all applicable requirements of any Governmental Authority having legal or regulatory jurisdiction over the Company or such Subsidiary, as the case may be. The Company will, and will cause each of its Subsidiaries to, keep books, records and accounts which, in reasonable detail, accurately reflect all transactions and dispositions of assets. The Company and its Subsidiaries have devised a system of internal accounting controls sufficient to provide reasonable assurances that their respective books, records, and accounts accurately reflect all transactions and dispositions of assets and the Company will, and will cause each of its Subsidiaries to, continue to maintain such system.

Section 9.7 Subsidiary Guarantors. (a) The Company will cause each of its Subsidiaries that guarantees or otherwise becomes liable at any time, whether as a borrower or an additional or co-borrower or otherwise, for or in respect of any Indebtedness under any Material Credit Facility to concurrently therewith:

(i) enter into an agreement in form and substance satisfactory to the Required Holders providing for the guaranty by such Subsidiary, on a joint and several basis with all other such Subsidiaries, of (x) the prompt payment in full when due of all amounts payable by the Company pursuant to the Notes (whether for principal, interest, Make-Whole Amount[, Modified Make-Whole Amount] or otherwise) and this Agreement, including all indemnities, fees and expenses payable by the Company thereunder and (y)

41 *Form Note:* The reference is to those Sections of the negative covenants (if any) that deal with the ability of the Company to sell assets or to enter into (or cause its Subsidiaries to enter into) mergers and consolidations.

the prompt, full and faithful performance, observance and discharge by the Company of each and every covenant, agreement, undertaking and provision required pursuant to the Notes or this Agreement to be performed, observed or discharged by it (a “**Subsidiary Guaranty**”); and

(ii) deliver the following to each holder of a Note:

(A) an executed counterpart of such Subsidiary Guaranty;

(B) a certificate signed by an authorized responsible officer of such Subsidiary containing representations and warranties on behalf of such Subsidiary to the same effect, *mutatis mutandis*, as those contained in Sections 5.1, 5.2, 5.6, 5.7 and 5.[] of this Agreement (but with respect to such Subsidiary and such Subsidiary Guaranty rather than the Company);

(C) all documents as may be reasonably requested by the Required Holders to evidence the due organization, continuing existence and good standing of such Subsidiary and the due authorization by all requisite action on the part of such Subsidiary of the execution and delivery of such Subsidiary Guaranty and the performance by such Subsidiary of its obligations thereunder;

(D) an opinion of counsel reasonably satisfactory to the Required Holders covering such matters relating to such Subsidiary and such Subsidiary Guaranty as the Required Holders may reasonably request; and

(E) evidence of the acceptance by [Process Agent] of the appointment of designation provided for by Section [] of the Subsidiary Guaranty, as such Subsidiary Guarantors’ agent to receive, for it and on its behalf, service of process, for the period from the date of such Subsidiary Guaranty to [1 year after maturity of Notes] (and the payment in full of all fees in respect thereof).

(b) At the election of the Company and by written notice to each holder of Notes, any Subsidiary Guarantor⁴² may be discharged from all of its obligations and liabilities under its Subsidiary Guaranty and shall be automatically released from its obligations thereunder without the need for the execution or delivery of any other document by the holders, *provided* that (i) if such Subsidiary Guarantor is a guarantor or is otherwise liable for or in respect of any Material Credit Facility, then such Subsidiary Guarantor has been released and discharged (or will be released and discharged concurrently with the release of such Subsidiary Guarantor under its Subsidiary Guaranty) under such Material Credit Facility, (ii) at the time of, and after giving

⁴² *Form Note:* Consideration should be given to whether this automatic guarantee release provision should apply to all Subsidiary Guarantors. For example, investors may not want this release provision to apply to a Subsidiary Guarantor that is vital to their investment rationale, even if the lenders under a separate credit facility have released that Subsidiary Guarantor.

effect to, such release and discharge, no Default or Event of Default shall be existing, (iii) no amount is then due and payable under such Subsidiary Guaranty, (iv) if in connection with such Subsidiary Guarantor being released and discharged under any Material Credit Facility, any fee or other form of consideration is given to any holder of Indebtedness under such Material Credit Facility for such release, the holders of the Notes shall receive equivalent consideration substantially concurrently therewith and (v) each holder shall have received a certificate of a Responsible Officer certifying as to the matters set forth in clauses (i) through (iv). In the event of any such release, for purposes of Section 10.[__]⁴³, all Indebtedness of such Subsidiary shall be deemed to have been incurred concurrently with such release.

Section 9.8 Priority of Obligations. The Company will ensure that its payment obligations under this Agreement and the Notes, and the payment obligations of any Subsidiary Guarantor under its Subsidiary Guaranty, will at all times rank at least *pari passu*, without preference or priority, with all other unsecured and unsubordinated Indebtedness⁴⁴ of the Company and such Subsidiary Guarantor, as applicable.

Section 9.9. [Add other affirmative covenants as negotiated.]

SECTION 10. NEGATIVE COVENANTS.

The Company covenants that so long as any of the Notes are outstanding:⁴⁵

Section 10.1. Transactions with Affiliates. The Company will not and will not permit any Subsidiary to enter into directly or indirectly any transaction or group of related transactions (including the purchase, lease, sale or exchange of properties of any kind or the rendering of any service) with any Affiliate (other than the Company or another Subsidiary), except in the

⁴³ *Form Note:* Intended to be the Subsidiary Debt covenant and/or the priority debt test.

⁴⁴ *Form Note:* See Form Note 20.

⁴⁵ *Form Note:* It is recommended that the language that appears below be used to replace the introductory sentence of Section 10 if it is anticipated that there will be a significant time-lag between the execution of the Note Purchase Agreement and the Closing:

“From the date of this Agreement until the Closing and thereafter, so long as any of the Notes are outstanding, *the Company covenants that:*”

It is also recommended that the following language be added at the end of Section 10 if it is anticipated that there will be a significant time-lag between the execution of the Note Purchase Agreement and the Closing:

“Although it will not be a Default or an Event of Default if the Company fails to comply with any provision of Section 10 before or after giving effect to the issuance of the Notes on a *pro forma* basis, if such a failure occurs, then any of the Purchasers may elect not to purchase the Notes on the date of Closing that is specified in Section 3.”

ordinary course and pursuant to the reasonable requirements of the Company's or such Subsidiary's business and upon fair and reasonable terms no less favorable to the Company or such Subsidiary than would be obtainable in a comparable arm's-length transaction with a Person not an Affiliate.

Section 10.2. Merger, Consolidation, Etc. The Company will not consolidate with or merge with any other Person or convey, transfer or lease all or substantially all of its assets in a single transaction or series of transactions to any Person unless:⁴⁶

(a) the successor formed by such consolidation or the survivor of such merger or the Person that acquires by conveyance, transfer or lease all or substantially all of the assets of the Company as an entirety, as the case may be, shall be a solvent corporation or limited liability company organized and existing under the laws of the United States or any state thereof (including the District of Columbia) or any other Permitted Jurisdiction, and, if the Company is not such corporation or limited liability company, (i) such corporation or limited liability company shall have executed and delivered to each holder of any Notes its assumption of the due and punctual performance and observance of each covenant and condition of this Agreement and the Notes, (ii) such corporation or limited liability company shall have caused to be delivered to each holder of any Notes an opinion of internationally recognized independent counsel, or other independent counsel reasonably satisfactory to the Required Holders, to the effect that all agreements or instruments effecting such assumption are enforceable in accordance with their terms and comply with the terms hereof and (iii) the successor formed by such consolidation or survivor of such merger or the Person that acquires by conveyance, transfer or lease all or substantially all of the assets of the Company, as the case may be, shall have provided to the holders evidence of the acceptance by [process agent] of the appointment and designation provided for by Section 23.7(e) for the period of time from such merger to [1 year after maturity of the Notes] (and the payment in full of all fees in respect thereof);⁴⁷

(b) each Subsidiary Guarantor under any Subsidiary Guaranty that is outstanding at the time such transaction or each transaction in such a series of

⁴⁶ *Form Note:* If a substantial part of the Company's consolidated business is done in one or more Subsidiaries of the Company, it is recommended that the parties consider adding language that would make Section 10.2 applicable to each Subsidiary as well as the Company. For example, the introductory clause of Section 10.2 could be revised to read as follows:

“The Company will not **and will not permit any Subsidiary to** consolidate with or merge with any other Person or convey, transfer or lease all or substantially all of its assets in a single transaction or series of transactions to any Person unless:”

⁴⁷ *Form Note:* Depending on the definition of Permitted Jurisdiction, or other factors, it may be appropriate to include other conditions regarding the continued legality of an investment in the successor's jurisdiction of organization or the absence of currency restrictions in such jurisdiction.

transactions occurs reaffirms its obligations under such Subsidiary Guaranty in writing at such time pursuant to documentation that is reasonably acceptable to the Required Holders; and

(c) immediately before and immediately after giving effect to such transaction or each transaction in any such series of transactions, no Default or Event of Default shall have occurred and be continuing.

No such conveyance, transfer or lease of substantially all of the assets of the Company shall have the effect of releasing the Company or any successor corporation or limited liability company that shall theretofore have become such in the manner prescribed in this Section 10.2 from its liability under this Agreement or the Notes.⁴⁸

Section 10.3. Line of Business. The Company will not and will not permit any Subsidiary to engage in any business if, as a result, the general nature of the business in which the Company and its Subsidiaries, taken as a whole, would then be engaged would be substantially changed from the general nature of the business in which the Company and its Subsidiaries, taken as a whole, are engaged on the date of this Agreement as described in the Memorandum.

Section 10.4. Economic Sanctions, Etc.. The Company will not and will not permit any Controlled Entity to (a) become (including by virtue of being owned or controlled by a Blocked Person), own or control a Blocked Person or (b) directly or indirectly have any investment in or engage in any dealing or transaction (including any investment, dealing or transaction involving the proceeds of the Notes) with any Person if such investment, dealing or transaction would be in violation of, or could result in the imposition of sanctions under, any U.S. Economic Sanctions Laws applicable to the Company or such Controlled Entity, except, in the case of this clause (b), to the extent that such violation or sanctions, if imposed, could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.⁴⁹

48 *Form Note:* If particular financial covenants are deemed important, additional conditions relating to the issuer's ability to comply, post-merger, with the financial covenants may be requested by Purchasers. For instance, if there were a covenant limiting the incurrence of debt or testing debt as of the end of a fiscal period, it may be expected that a merger would be conditioned also upon the Company being permitted immediately post-merger to incur an additional \$1.00 of debt or being in compliance with such debt test covenant as of the time of such merger as if such merger had been consummated as of the most recently ended fiscal period.

49 *Form Note:* Section 10.4 of this form does not contain the language that appears in Section 10.4 of the domestic Model Forms of Note Purchase Agreement about activities of the Company or any Controlled Entity that could cause a holder to be in violation of any law applicable to such holder or could subject any holder to sanctions because this form contains Section 8.4 (Prepayment in Connection with a Noteholder Sanctions Event) and the domestic forms do not. If this form is used for any transaction in which Section 8.4 is not included in the Note Purchase Agreement for such transaction, then Section 10.4 from the domestic Model Forms of Note Purchase Agreement should be used for such transaction.

Section 10.5. Liens. The Company will not and will not permit any of its Subsidiaries to directly or indirectly create, incur, assume or permit to exist (upon the happening of a contingency or otherwise) any Lien on or with respect to any property or asset (including any document or instrument in respect of goods or accounts receivable) of the Company or any such Subsidiary, whether now owned or held or hereafter acquired, or any income or profits therefrom, or assign or otherwise convey any right to receive income or profits, except:

(a) – () ***[Insert any desired exceptions to the prohibition as negotiated among the parties.]***

() other Liens securing Indebtedness of the Company or any Subsidiary not otherwise permitted by clauses (a) through (), *provided* that Priority Debt shall not at any time exceed []% of [] (determined as of the end of the then most recently ended fiscal quarter), *provided, further*, that notwithstanding the foregoing, the Company shall not, and shall not permit any of its Subsidiaries to, secure pursuant to this Section 10.5() any Indebtedness outstanding under or pursuant to any Material Credit Facility unless and until the Notes (and any guaranty delivered in connection therewith) shall concurrently be secured equally and ratably with such Indebtedness pursuant to documentation reasonably acceptable to the Required Holders in substance and in form, including an intercreditor agreement and opinions of counsel to the Company and/or any such Subsidiary, as the case may be, from counsel that is reasonably acceptable to the Required Holders.

Section 10.6. Financial Covenants.⁵⁰

Section 10.7. [Add other negative covenants as negotiated.]

Section 11. Events of Default.

An “**Event of Default**” shall exist if any of the following conditions or events shall occur and be continuing:

(a) the Company defaults in the payment of any principal or Make-Whole Amount [or Modified Make-Whole Amount], if any, on any Note when the same becomes due and payable, whether at maturity or at a date fixed for prepayment or by declaration or otherwise; or

⁵⁰ *Form Note:* When drafting financial and other covenants to be included in the proposed Note Purchase Agreement, it is suggested that counsel to the Purchasers and counsel to the Company consider the language that appears in the *Financial Covenants Reference Manual*, February 1996, which may be found at www.aciclaw.org, as well as the language that appears in similar covenants in the Company’s credit agreement with its bank(s).

(b) the Company defaults in the payment of any interest on any Note or any amount payable pursuant to Section 13 for more than five Business Days after the same becomes due and payable; or

(c) the Company defaults in the performance of or compliance with any term contained in Section 7.1(d) or Sections [____];⁵¹ or

(d) the Company or any Subsidiary Guarantor defaults in the performance of or compliance with any term contained herein (other than those referred to in Sections 11(a), (b) and (c)) or in any Subsidiary Guaranty and such default is not remedied within 30 days after the earlier of (i) a Responsible Officer obtaining actual knowledge of such default and (ii) the Company receiving written notice of such default from any holder of a Note (any such written notice to be identified as a “notice of default” and to refer specifically to this Section 11(d)); or

(e) (i) any representation or warranty made in writing by or on behalf of the Company or by any officer of the Company in this Agreement or any writing furnished in connection with the transactions contemplated hereby proves to have been false or incorrect in any material respect on the date as of which made, or (ii) any representation or warranty made in writing by or on behalf of any Subsidiary Guarantor or by any officer of such Subsidiary Guarantor in any Subsidiary Guaranty or any writing furnished in connection with such Subsidiary Guaranty proves to have been false or incorrect in any material respect on the date as of which made; or

(f) (i) the Company or any Subsidiary is in default (as principal or as guarantor or other surety) in the payment of any principal of or premium or make-whole amount or interest on any Indebtedness that is outstanding in an aggregate principal amount of at least \$[____],000,000 (or its equivalent in the relevant currency of payment) beyond any period of grace provided with respect thereto, or (ii) the Company or any Subsidiary is in default in the performance of or compliance with any term of any evidence of any Indebtedness in an aggregate outstanding principal amount of at least \$[____],000,000 (or its equivalent in the relevant currency of payment) or of any mortgage, indenture or other agreement relating thereto or any other condition exists, and as a consequence of such default or condition such Indebtedness has become, or has been declared (or one or more Persons are entitled to declare such Indebtedness to be), due and payable before its stated maturity or before its regularly scheduled dates of payment, or (iii) as a consequence of the occurrence or continuation of any event or condition (other than the passage of time or the right of the holder of Indebtedness to convert such

51 *Form Note:* Here insert the section numbers of any covenants the breach of which will create an Event of Default without “cure” or “grace” periods, and without notice. They are normally limited to negative financial covenants, other negative covenants the breach of which is clearly within the Company’s control or which are of a nature that they cannot be cured, and failure to give required notices of defaults under Section 7.1(d).

(g) the Company or any Subsidiary (i) is generally not paying, or admits in writing its inability to pay, its debts as they become due, (ii) files, or consents by answer or otherwise to the filing against it of, a petition for relief or reorganization or arrangement or any other petition in bankruptcy, for liquidation or to take advantage of any bankruptcy, insolvency, reorganization, moratorium or other similar law of any jurisdiction, (iii) makes an assignment for the benefit of its creditors, (iv) consents to the appointment of a custodian, receiver, trustee or other officer with similar powers with respect to it or with respect to any substantial part of its property, (v) is adjudicated as insolvent or to be liquidated, or (vi) takes corporate action for the purpose of any of the foregoing; or

(h) a court or other Governmental Authority of competent jurisdiction enters an order appointing, without consent by the Company or any of its Subsidiaries, a custodian, receiver, trustee or other officer with similar powers with respect to it or with respect to any substantial part of its property, or constituting an order for relief or approving a petition for relief or reorganization or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy or insolvency law of any jurisdiction, or ordering the dissolution, winding-up or liquidation of the Company or any of its Subsidiaries, or any such petition shall be filed against the Company or any of its Subsidiaries and such petition shall not be dismissed within 60 days; or

(i) any event occurs with respect to the Company or any Subsidiary which under the laws of any jurisdiction is analogous to any of the events described in Section 11(g) or Section 11(h), provided that the applicable grace period, if any, which shall apply shall be the one applicable to the relevant proceeding which most closely corresponds to the proceeding described in Section 11(g) or Section 11(h); or

(j) one or more final judgments or orders for the payment of money aggregating in excess of \$[_____] (or its equivalent in the relevant currency of

52 *Form Note:* Clause (iii) is intended to provide the holders of the Notes the same protection as contemplated by clause (i) and clause (ii) in circumstances where the documents relating to the Company's or any Subsidiary's Indebtedness contain provisions that are essentially the equivalent of traditional defaults or events of default but are formulated as required prepayments or "puts" of such Indebtedness. If, however, the Note Purchase Agreement includes a provision giving the holders of the Notes such a put in connection with a "change of control", it may be appropriate to exclude events giving rise to that put from clause (iii) and from the "other condition" referred to in clause (ii).

As used in this Section 11(k), the terms “**employee benefit plan**” and “**employee welfare benefit plan**” shall have the respective meanings assigned to such terms in section 3 of ERISA; or

(l) any Subsidiary Guaranty shall cease to be in full force and effect, any Subsidiary Guarantor or any Person acting on behalf of any Subsidiary Guarantor shall contest in any manner the validity, binding nature or enforceability of any Subsidiary Guaranty, or the obligations of any Subsidiary Guarantor under any Subsidiary Guaranty are not or cease to be legal, valid, binding and enforceable in accordance with the terms of such Subsidiary Guaranty.

SECTION 12. REMEDIES ON DEFAULT, ETC.

Section 12.1. Acceleration. (a) If an Event of Default with respect to the Company described in Section 11(g), (h) or (i) (other than an Event of Default described in clause (i) of

Section 11(g) or described in clause (vi) of Section 11(g) by virtue of the fact that such clause encompasses clause (i) of Section 11(g)) has occurred, all the Notes then outstanding shall automatically become immediately due and payable.

(b) If any other Event of Default has occurred and is continuing, the Required Holders may at any time at its or their option, by notice or notices to the Company, declare all the Notes then outstanding to be immediately due and payable.

(c) If any Event of Default described in Section 11(a) or (b) has occurred and is continuing, any holder or holders of Notes at the time outstanding affected by such Event of Default may at any time, at its or their option, by notice or notices to the Company, declare all the Notes held by it or them to be immediately due and payable.

Upon any Notes becoming due and payable under this Section 12.1, whether automatically or by declaration, such Notes will forthwith mature and the entire unpaid principal amount of such Notes, plus (x) all accrued and unpaid interest thereon (including interest accrued thereon at the Default Rate) and (y) the Make-Whole Amount determined in respect of such principal amount (to the full extent permitted by applicable law), shall all be immediately due and payable, in each and every case without presentment, demand, protest or further notice, all of which are hereby waived. The Company acknowledges, and the parties hereto agree, that each holder of a Note has the right to maintain its investment in the Notes free from repayment by the Company (except as herein specifically provided for) and that the provision for payment of a Make-Whole Amount [or, solely with respect to a prepayment, Modified Make-Whole Amount] by the Company in the event that the Notes are prepaid or are accelerated as a result of an Event of Default, is intended to provide compensation for the deprivation of such right under such circumstances.

Section 12.2. Other Remedies. If any Default or Event of Default has occurred and is continuing, and irrespective of whether any Notes have become or have been declared immediately due and payable under Section 12.1, the holder of any Note at the time outstanding may proceed to protect and enforce the rights of such holder by an action at law, suit in equity or other appropriate proceeding, whether for the specific performance of any agreement contained herein or in any Note or Subsidiary Guaranty, or for an injunction against a violation of any of the terms hereof or thereof, or in aid of the exercise of any power granted hereby or thereby or by law or otherwise.

Section 12.3. Rescission. At any time after any Notes have been declared due and payable pursuant to Section 12.1(b) or (c), the Required Holders in principal amount of the Notes then outstanding, by written notice to the Company, may rescind and annul any such declaration and its consequences if (a) the Company has paid all overdue interest on the Notes, all principal of and Make-Whole Amount [or Modified Make-Whole Amount], if any, on any Notes that are due and payable and are unpaid other than by reason of such declaration, and all interest on such overdue principal and Make-Whole Amount [or Modified Make-Whole Amount], if any, and (to the extent permitted by applicable law) any overdue interest in respect of the Notes, at the Default Rate, (b) neither the Company nor any other Person shall have paid any amounts which have become due solely by reason of such declaration, (c) all Events of Default and Defaults,

other than non-payment of amounts that have become due solely by reason of such declaration, have been cured or have been waived pursuant to Section 18, and (d) no judgment or decree has been entered for the payment of any monies due pursuant hereto or to the Notes. No rescission and annulment under this Section 12.3 will extend to or affect any subsequent Event of Default or Default or impair any right consequent thereon.

Section 12.4. No Waivers or Election of Remedies, Expenses, Etc. No course of dealing and no delay on the part of any holder of any Note in exercising any right, power or remedy shall operate as a waiver thereof or otherwise prejudice such holder's rights, powers or remedies. No right, power or remedy conferred by this Agreement, any Subsidiary Guaranty or any Note upon any holder thereof shall be exclusive of any other right, power or remedy referred to herein or therein or now or hereafter available at law, in equity, by statute or otherwise. Without limiting the obligations of the Company under Section 16, the Company will pay to the holder of each Note on demand such further amount as shall be sufficient to cover all costs and expenses of such holder incurred in any enforcement or collection under this Section 12, including reasonable attorneys' fees, expenses and disbursements and any Registration Duty.

SECTION 13. TAX INDEMNIFICATION.

(a) All payments whatsoever under this Agreement and the Notes will be made by the Company in lawful currency of the United States of America free and clear of, and without liability for withholding or deduction for or on account of, any present or future Taxes of whatever nature imposed or levied by or on behalf of any jurisdiction other than the United States⁵³ (or any political subdivision or taxing authority of or in such jurisdiction) (hereinafter a "**Taxing Jurisdiction**"), unless the withholding or deduction of such Tax is compelled by law.

(b) If any deduction or withholding for any Tax of a Taxing Jurisdiction shall at any time be required in respect of any amounts to be paid by the Company under this Agreement or the Notes, the Company will pay to the relevant Taxing Jurisdiction the full amount required to be withheld, deducted or otherwise paid before penalties attach thereto or interest accrues thereon and pay to each holder of a Note such additional amounts as may be necessary in order that the net amounts paid to such holder pursuant to the terms of this Agreement or the Notes after such deduction, withholding or payment (including any required deduction or withholding of Tax on or with respect to such additional amount), shall be not less than the amounts then due and payable to such holder under the terms of this Agreement or the Notes before the assessment of such Tax, *provided* that no payment of any additional amounts shall be required to be made for or on account of:

(i) any Tax that would not have been imposed but for the existence of any present or former connection between such holder (or a fiduciary, settlor, beneficiary,

member of, shareholder of, or possessor of a power over, such holder, if such holder is an estate, trust, partnership or corporation or any Person other than the holder to whom the Notes or any amount payable thereon is attributable for the purposes of such Tax) and the Taxing Jurisdiction, other than the mere holding of the relevant Note or the receipt of payments thereunder or in respect thereof or the exercise of remedies in respect thereof, including such holder (or such other Person described in the above parenthetical) being or having been a citizen or resident thereof, or being or having been present or engaged in trade or business therein or having or having had an establishment, office, fixed base or branch therein, *provided* that this exclusion shall not apply with respect to a Tax that would not have been imposed but for the Company, after the date of the Closing, opening an office in, moving an office to, reincorporating in, or changing the Taxing Jurisdiction from or through which payments on account of this Agreement or the Notes are made to, the Taxing Jurisdiction imposing the relevant Tax;

(ii) any Tax that would not have been imposed but for the delay or failure by such holder (following a written request by the Company) in the filing with the relevant Taxing Jurisdiction of Forms (as defined below) that are required to be filed by such holder to avoid or reduce such Taxes (including for such purpose any refilings or renewals of filings that may from time to time be required by the relevant Taxing Jurisdiction), *provided* that the filing of such Forms would not (in such holder's reasonable judgment) impose any unreasonable burden (in time, resources or otherwise) on such holder or result in any confidential or proprietary income tax return information being revealed, either directly or indirectly, to any Person and such delay or failure could have been lawfully avoided by such holder, and *provided further* that such holder shall be deemed to have satisfied the requirements of this clause (b)(ii) upon the good faith completion and submission of such Forms (including refilings or renewals of filings) as may be specified in a written request of the Company no later than 60 days after receipt by such holder of such written request (accompanied by copies of such Forms and related instructions, if any, all in the English language or with an English translation thereof); or

(iii) any combination of clauses (i) and (ii) above;

provided further that in no event shall the Company be obligated to pay such additional amounts to any holder [(i) not resident in the United States of America or any other jurisdiction in which an original Purchaser is resident for tax purposes on the date of the Closing in excess of the amounts that the Company would be obligated to pay if such holder had been a resident of the United States of America or such other jurisdiction, as applicable, for purposes of, and eligible for the benefits of, any double taxation treaty from time to time in effect between the United States of America or such other jurisdiction and the relevant Taxing Jurisdiction or (ii)]⁵⁴

⁵⁴ *Form Note:* If the bracketed language, or a variation thereof, is not included in the Note Purchase Agreement, the Company may be expected to expand the circumstances under which it would be permitted to offer pursuant to Section 8.3 to prepay Notes of transferee holders situated in jurisdictions giving rise to a substantial withholding tax obligation unrelated to a Change in Tax Law.

registered in the name of a nominee if under the law of the relevant Taxing Jurisdiction (or the current regulatory interpretation of such law) securities held in the name of a nominee do not qualify for an exemption from the relevant Tax and the Company shall have given timely notice of such law or interpretation to such holder.⁵⁵

(c) By acceptance of any Note, the holder of such Note agrees, subject to the limitations of clause (b)(ii) above, that it will from time to time with reasonable promptness (x) duly complete and deliver to or as reasonably directed by the Company all such forms, certificates, documents and returns provided to such holder by the Company (collectively, together with instructions for completing the same, “**Forms**”) required to be filed by or on behalf of such holder in order to avoid or reduce any such Tax pursuant to the provisions of an applicable statute, regulation or administrative practice of the relevant Taxing Jurisdiction or of a tax treaty between the United States and such Taxing Jurisdiction and (y) provide the Company with such information with respect to such holder as the Company may reasonably request in order to complete any such Forms, provided that nothing in this Section 13 shall require any holder to provide information with respect to any such Form or otherwise if in the opinion of such holder such Form or disclosure of information would involve the disclosure of tax return or other information that is confidential or proprietary to such holder, and provided further that each such holder shall be deemed to have complied with its obligation under this paragraph with respect to any Form if such Form shall have been duly completed and delivered by such holder to the Company or mailed to the appropriate taxing authority, whichever is applicable, within 60 days following a written request of the Company (which request shall be accompanied by copies of such Form and English translations of any such Form not in the English language) and, in the case of a transfer of any Note, at least 90 days prior to the relevant interest payment date.

(d) On or before the date of the Closing the Company will furnish each Purchaser with copies of the appropriate Form (and English translation if required as aforesaid) currently required to be filed in [] pursuant to Section 13(b)(ii), if any, and in connection with the transfer of any Note the Company will furnish the transferee of such Note with copies of any Form and English translation then required.

(e) If any payment is made by the Company to or for the account of the holder of any Note after deduction for or on account of any Taxes, and increased payments are made by the Company pursuant to this Section 13, then, if such holder at its sole discretion determines that it has received or been granted a refund of such Taxes, such holder shall, to the extent that it can do so without prejudice to the retention of the amount of such refund, reimburse to the Company such amount as such holder shall, in its sole discretion, determine to be attributable to the relevant Taxes or deduction or withholding. Nothing herein contained shall interfere with the right of the holder of any Note to arrange its tax affairs in whatever manner it thinks fit and, in particular, no holder of any Note shall be under any obligation to claim relief from its corporate profits or similar tax liability in respect of such Tax in priority to any other claims, reliefs, credits or deductions available to it or (other than as set forth in Section 13(b)(ii)) oblige any holder of

⁵⁵ *Form Note:* See Form Note 3.

any Note to disclose any information relating to its tax affairs or any computations in respect thereof.

(f) The Company will furnish the holders of Notes, promptly and in any event within 60 days after the date of any payment by the Company of any Tax in respect of any amounts paid under this Agreement or the Notes, the original tax receipt issued by the relevant taxation or other authorities involved for all amounts paid as aforesaid (or if such original tax receipt is not available or must legally be kept in the possession of the Company, a duly certified copy of the original tax receipt or any other reasonably satisfactory evidence of payment), together with such other documentary evidence with respect to such payments as may be reasonably requested from time to time by any holder of a Note.

(g) If the Company is required by any applicable law, as modified by the practice of the taxation or other authority of any relevant Taxing Jurisdiction, to make any deduction or withholding of any Tax in respect of which the Company would be required to pay any additional amount under this Section 13, but for any reason does not make such deduction or withholding with the result that a liability in respect of such Tax is assessed directly against the holder of any Note, and such holder pays such liability, then the Company will promptly reimburse such holder for such payment (including any related interest or penalties to the extent such interest or penalties arise by virtue of a default or delay by the Company) upon demand by such holder accompanied by an official receipt (or a duly certified copy thereof) issued by the taxation or other authority of the relevant Taxing Jurisdiction.

(h) If the Company makes payment to or for the account of any holder of a Note and such holder is entitled to a refund of the Tax to which such payment is attributable upon the making of a filing (other than a Form described above), then such holder shall, as soon as practicable after receiving written request from the Company (which shall specify in reasonable detail and supply the refund forms to be filed) use reasonable efforts to complete and deliver such refund forms to or as directed by the Company, subject, however, to the same limitations with respect to Forms as are set forth above.

(i) The obligations of the Company under this Section 13 shall survive the payment or transfer of any Note and the provisions of this Section 13 shall also apply to successive transferees of the Notes.

SECTION 14. REGISTRATION; EXCHANGE; SUBSTITUTION OF NOTES.

Section 14.1. Registration of Notes. The Company shall keep at its principal executive office a register for the registration and registration of transfers of Notes. The name and address of each holder of one or more Notes, each transfer thereof and the name and address of each transferee of one or more Notes shall be registered in such register. If any holder of one or more Notes is a nominee, then (a) the name and address of the beneficial owner of such Note or Notes shall also be registered in such register as an owner and holder thereof and (b) at any such beneficial owner's option, either such beneficial owner or its nominee may execute any amendment, waiver or consent pursuant to this Agreement. Prior to due presentment for registration of transfer, the Person in whose name any Note shall be registered shall be deemed

and treated as the owner and holder thereof for all purposes hereof, and the Company shall not be affected by any notice or knowledge to the contrary. The Company shall give to any holder of a Note that is an Institutional Investor promptly upon request therefor, a complete and correct copy of the names and addresses of all registered holders of Notes.

Section 14.2. Transfer and Exchange of Notes. Upon surrender of any Note to the Company at the address and to the attention of the designated officer (all as specified in Section 19(a)(iii)), for registration of transfer or exchange (and in the case of a surrender for registration of transfer accompanied by a written instrument of transfer duly executed by the registered holder of such Note or such holder's attorney duly authorized in writing and accompanied by the relevant name, address and other information for notices of each transferee of such Note or part thereof), within 10 Business Days thereafter, the Company shall execute and deliver, at the Company's expense (except as provided below), one or more new Notes (as requested by the holder thereof) in exchange therefor, in an aggregate principal amount equal to the unpaid principal amount of the surrendered Note. Each such new Note shall be payable to such Person as such holder may request and shall be substantially in the form of Schedule 1. Each such new Note shall be dated and bear interest from the date to which interest shall have been paid on the surrendered Note or dated the date of the surrendered Note if no interest shall have been paid thereon. The Company may require payment of a sum sufficient to cover any stamp tax or governmental charge imposed in respect of any such transfer of Notes. Notes shall not be transferred in denominations of less than **[\$100,000]**, *provided* that if necessary to enable the registration of transfer by a holder of its entire holding of Notes, one Note may be in a denomination of less than **[\$100,000]**. Any transferee, by its acceptance of a Note registered in its name (or the name of its nominee), shall be deemed to have made the representation set forth in Section 6.2.

Section 14.3. Replacement of Notes. Upon receipt by the Company at the address and to the attention of the designated officer (all as specified in Section 19(a)(iii)) of evidence reasonably satisfactory to it of the ownership of and the loss, theft, destruction or mutilation of any Note (which evidence shall be, in the case of an Institutional Investor, notice from such Institutional Investor of such ownership and such loss, theft, destruction or mutilation), and

(a) in the case of loss, theft or destruction, of indemnity reasonably satisfactory to it (provided that if the holder of such Note is, or is a nominee for, an original Purchaser or another holder of a Note with a minimum net worth of at least \$[_____] or a Qualified Institutional Buyer, such Person's own unsecured agreement of indemnity shall be deemed to be satisfactory), or

(b) in the case of mutilation, upon surrender and cancellation thereof,

within 10 Business Days thereafter, the Company at its own expense shall execute and deliver, in lieu thereof, a new Note, dated and bearing interest from the date to which interest shall have been paid on such lost, stolen, destroyed or mutilated Note or dated the date of such lost, stolen, destroyed or mutilated Note if no interest shall have been paid thereon.

SECTION 15. PAYMENTS ON NOTES.

Section 15.1. Place of Payment. Subject to Section 15.2, payments of principal, Make-Whole Amount [or Modified Make-Whole Amount], if any, and interest becoming due and payable on the Notes shall be made in [City], [State]⁵⁶ at the principal office of []⁵⁷ in such jurisdiction. The Company may at any time, by notice to each holder of a Note, change the place of payment of the Notes so long as such place of payment shall be either the principal office of the Company in such jurisdiction or the principal office of a bank or trust company in such jurisdiction.⁵⁸

Section 15.2. Payment by Wire Transfer. So long as any Purchaser or its nominee shall be the holder of any Note, and notwithstanding anything contained in Section 15.1 or in such Note to the contrary, the Company will pay all sums becoming due on such Note for principal, Make-Whole Amount [or Modified Make-Whole Amount], if any, interest and all other amounts becoming due hereunder by the method and at the address specified for such purpose below such Purchaser's name in the Purchaser Schedule, or by such other method or at such other address as such Purchaser shall have from time to time specified to the Company in writing for such purpose, without the presentation or surrender of such Note or the making of any notation thereon, except that upon written request of the Company made concurrently with or reasonably promptly after payment or prepayment in full of any Note, such Purchaser shall surrender such Note for cancellation, reasonably promptly after any such request, to the Company at its principal executive office or at the place of payment most recently designated by the Company pursuant to Section 15.1. Prior to any sale or other disposition of any Note held by a Purchaser or its nominee, such Purchaser will, at its election, either endorse thereon the amount of principal paid thereon and the last date to which interest has been paid thereon or surrender such Note to the Company in exchange for a new Note or Notes pursuant to Section 14.2. The Company will

⁵⁶ *Form Note:* The place of payment of the Notes is traditionally linked to the choice of law clause in Section 23.6, particularly in transactions using New York law in which the only "local" contacts may be special counsel for the Purchasers and the designated place of payment of the Notes. Although some jurisdictions have laws like §5-1401 of the New York General Obligations Law, which permits parties in transactions of this type to choose New York law even if the transaction does not meet the normal "bears a reasonable relationship to the laws of this State" test, there are, however, lingering concerns as to the constitutionality of such provisions. Therefore, even in New York, and *a fortiori* in jurisdictions which lack provisions similar to §5-1401, the place of payment provided for in this Section 15.1 should be the jurisdiction referred to in Section 23.6, unless counsel conclude that the choice of law in Section 23.6 is amply supported by facts in the transaction other than the stated place of payment of the Notes.

⁵⁷ *Form Note:* Insert in this blank either "the Company" or the name of a bank located in the city and state selected.

⁵⁸ *Form Note:* If counsel has determined that the place of payment of the Notes does not need to be tied to the choice of law provision in Section 23.6, the final part of this sentence may be revised to read:

" . . . Notes so long as such place of payment shall be either a principal office of the Company in the United States or a principal office of a bank or trust company in the United States."

afford the benefits of this Section 15.2 to any Institutional Investor that is the direct or indirect transferee of any Note purchased by a Purchaser under this Agreement and that has made the same agreement relating to such Note as the Purchasers have made in this Section 15.2.

SECTION 16. EXPENSES, ETC.

Section 16.1. Transaction Expenses. Whether or not the transactions contemplated hereby are consummated, the Company will pay all costs and expenses (including reasonable attorneys' fees of a special counsel and, if reasonably required by the Required Holders, local or other counsel) incurred by the Purchasers and each other holder of a Note in connection with such transactions and in connection with any amendments, waivers or consents under or in respect of this Agreement, any Subsidiary Guaranty or the Notes (whether or not such amendment, waiver or consent becomes effective), including: (a) the costs and expenses incurred in enforcing or defending (or determining whether or how to enforce or defend) any rights under this Agreement, any Subsidiary Guaranty or the Notes or in responding to any subpoena or other legal process or informal investigative demand issued in connection with this Agreement, any Subsidiary Guaranty or the Notes, or by reason of being a holder of any Note, (b) the costs and expenses, including financial advisors' fees, incurred in connection with the insolvency or bankruptcy of the Company or any Subsidiary or in connection with any work-out or restructuring of the transactions contemplated hereby and by the Notes and any Subsidiary Guaranty and (c) the costs and expenses incurred in connection with the initial filing of this Agreement and all related documents and financial information with the SVO *provided*, that such costs and expenses under this clause (c) shall not exceed \$_____. The Company will pay, and will save each Purchaser and each other holder of a Note harmless from, (i) all claims in respect of any fees, costs or expenses, if any, of brokers and finders (other than those, if any, retained by a Purchaser or other holder in connection with its purchase of the Notes), (ii) any and all wire transfer fees that any bank deducts from any payment under such Note to such holder or otherwise charges to a holder of a Note with respect to a payment under such Note and (iii) any judgment, liability, claim, order, decree, fine, penalty, cost, fee, expense (including reasonable attorneys' fees and expenses) or obligation resulting from the consummation of the transactions contemplated hereby, including the use of the proceeds of the Notes by the Company.

Section 16.2. Certain Taxes. The Company agrees to pay all stamp, documentary or similar taxes or fees which may be payable in respect of the execution and delivery or the enforcement of this Agreement or any Subsidiary Guaranty or the execution and delivery (but not the transfer) or the enforcement of any of the Notes in the United States or [_____] or any other jurisdiction of organization of the Company or any Subsidiary Guarantor or any other jurisdiction where the Company or any Subsidiary Guarantor has assets or of any amendment of, or waiver or consent under or with respect to, this Agreement or any Subsidiary Guaranty or of any of the Notes, and to pay any value added tax due and payable in respect of reimbursement of costs and expenses by the Company pursuant to this Section 16, and will save each holder of a Note to the extent permitted by applicable law harmless against any loss or liability resulting from nonpayment or delay in payment of any such tax or fee required to be paid by the Company hereunder.

Section 16.3. Survival. The obligations of the Company under this Section 16 will survive the payment or transfer of any Note, the enforcement, amendment or waiver of any provision of this Agreement, any Subsidiary Guaranty or the Notes, and the termination of this Agreement.

SECTION 17. SURVIVAL OF REPRESENTATIONS AND WARRANTIES; ENTIRE AGREEMENT.

All representations and warranties contained herein shall survive the execution and delivery of this Agreement and the Notes, the purchase or transfer by any Purchaser of any Note or portion thereof or interest therein and the payment of any Note, and may be relied upon by any subsequent holder of a Note, regardless of any investigation made at any time by or on behalf of such Purchaser or any other holder of a Note. All statements contained in any certificate or other instrument delivered by or on behalf of the Company pursuant to this Agreement shall be deemed representations and warranties of the Company under this Agreement. Subject to the preceding sentence, this Agreement, the Notes and any Subsidiary Guaranties embody the entire agreement and understanding between each Purchaser and the Company and supersede all prior agreements and understandings relating to the subject matter hereof.

SECTION 18. AMENDMENT AND WAIVER.

Section 18.1. Requirements. This Agreement and the Notes may be amended, and the observance of any term hereof or of the Notes may be waived (either retroactively or prospectively), only with the written consent of the Company and the Required Holders, except that:

(a) no amendment or waiver of any of Sections 1, 2, 3, 4, 5, 6 or 22 hereof, or any defined term (as it is used therein), will be effective as to any Purchaser unless consented to by such Purchaser in writing;

(b) no amendment or waiver may, without the written consent of each Purchaser and the holder of each Note at the time outstanding, (i) subject to Section 12 relating to acceleration or rescission, change the amount or time of any prepayment or payment of principal of, or reduce the rate or change the time of payment or method of computation of (x) interest on the Notes or (y) the Make-Whole Amount [or Modified Make-Whole Amount], (ii) change the percentage of the principal amount of the Notes the holders of which are required to consent to any amendment or waiver,⁵⁹ or (iii) amend any of Sections 8 (except as set forth in the second sentence of Section 8.2), 11(a), 11(b), 12, 13, 18, 21 or 23.8; and

⁵⁹ *Form Note:* It is recommended that the language that appears below be used to replace clause (ii) of Section 18.1(b) if it is anticipated that there will be a significant time-lag between the execution of the Note Purchase Agreement and the Closing:

(c) Section 8.7 may be amended or waived to permit offers to purchase made by the Company or an Affiliate pro rata to the holders of all Notes at the time outstanding upon the same terms and conditions⁶⁰ only with the written consent of the Company and the Super-Majority Holders.

Section 18.2. Solicitation of Holders of Notes.

(a) *Solicitation.* The Company will provide each holder of a Note with sufficient information, sufficiently far in advance of the date a decision is required, to enable such holder to make an informed and considered decision with respect to any proposed amendment, waiver or consent in respect of any of the provisions hereof or of the Notes or any Subsidiary Guaranty. The Company will deliver executed or true and correct copies of each amendment, waiver or consent effected pursuant to this Section 18 or any Subsidiary Guaranty to each holder of a Note promptly following the date on which it is executed and delivered by, or receives the consent or approval of, the requisite holders of Notes.

(b) *Payment.* The Company will not directly or indirectly pay or cause to be paid any remuneration, whether by way of supplemental or additional interest, fee or otherwise, or grant any security or provide other credit support, to any holder of a Note as consideration for or as an inducement to the entering into by such holder of any waiver or amendment of any of the terms and provisions hereof or of any Subsidiary Guaranty or any Note unless such remuneration is concurrently paid, or security is concurrently granted or other credit support concurrently provided, on the same terms, ratably to each holder of a Note even if such holder did not consent to such waiver or amendment.⁶¹

(.continued)

“(ii) change the percentage of the principal amount of the Notes the holders of which are required to consent to any amendment or waiver *or the principal amount of the Notes that the Purchasers are to purchase pursuant to Section 2 upon the satisfaction of the conditions to Closing that appear in Section 4,*”

⁶⁰ *Form Note:* Regarding the meaning of the phrase “upon the same terms and conditions” in a transaction where there is more than one series of Notes, it is suggested that to ensure that the economic impact of such an offer to purchase on the holders of all series of Notes would be the same, language should be included in such an amendment or waiver that would require that any such pro rata purchase offer that is greater than par plus accrued interest must be an offer of par plus a percentage of the Make-Whole Amount that each holder would have received if the Company had made an optional prepayment with Make-Whole Amount pursuant to Section 8.2. For example, under such a pro rata offer of par plus 80% of the Make-Whole Amount, each holder would receive par plus the 80% of the Make-Whole Amount that such holder would have received under Section 8.2.

⁶¹ *Form Note:* It is recommended that the language that appears below be used to replace paragraphs (a) and (b) of Section 18.2 if it is anticipated that there will be a significant time-lag between the execution of the Note Purchase Agreement and the Closing:

“(a) *Solicitation.* The Company will provide *each Purchaser and* each holder of a Note with sufficient information, sufficiently far in advance of the date a decision is required, to enable *such*

(c) *Consent in Contemplation of Transfer.* Any consent given pursuant to this Section 18 or any Subsidiary Guaranty by a holder of a Note that has transferred or has agreed to transfer its Note to the Company, any Subsidiary or any Affiliate or to any other Person in connection with, or in anticipation of, an acquisition of, tender offer for or merger with the Company (either pursuant to a waiver under Section 18.1(c) or subsequent to Section 8.7 having been amended pursuant to Section 18.1(c)) in connection with such consent shall be void and of no force or effect except solely as to such holder, and any amendments effected or waivers granted or to be effected or granted that would not have been or would not be so effected or granted but for such consent (and the consents of all other holders of Notes that were acquired under the same or similar conditions) shall be void and of no force or effect except solely as to such holder.

Section 18.3. Binding Effect, Etc. Any amendment or waiver consented to as provided in this Section 18 or any Subsidiary Guaranty applies equally to all holders of Notes and is binding upon them and upon each future holder of any Note and upon the Company without regard to whether such Note has been marked to indicate such amendment or waiver. No such amendment or waiver will extend to or affect any obligation, covenant, agreement, Default or Event of Default not expressly amended or waived or impair any right consequent thereon. No course of dealing between the Company and any holder of a Note and no delay in exercising any rights hereunder or under any Note or Subsidiary Guaranty shall operate as a waiver of any rights of any holder of such Note.⁶²

(.continued)

Purchaser and such holder to make an informed and considered decision with respect to any proposed amendment, waiver or consent in respect of any of the provisions hereof or of the Notes or any Subsidiary Guaranty. The Company will deliver executed or true and correct copies of each amendment, waiver or consent effected pursuant to this Section 18 or any Subsidiary Guaranty to **each Purchaser and** each holder of a Note promptly following the date on which it is executed and delivered by, or receives the consent or approval of, the requisite **Purchasers or** holders of Notes.

(b) *Payment.* The Company will not directly or indirectly pay or cause to be paid any remuneration, whether by way of supplemental or additional interest, fee or otherwise, or grant any security or provide other credit support, to any **Purchaser or** holder of a Note as consideration for or as an inducement to the entering into by such **Purchaser or** holder of any waiver or amendment of any of the terms and provisions hereof or of any Subsidiary Guaranty or any Note unless such remuneration is concurrently paid, or security is concurrently granted or other credit support concurrently provided, on the same terms, ratably to **each Purchaser and** each holder of a Note even if such **Purchaser or** holder did not consent to such waiver or amendment.”

⁶² *Form Note:* It is recommended that the language that appears below be used to replace Section 18.3 if it is anticipated that there will be a significant time-lag between the execution of the Note Purchase Agreement and the Closing:

Any amendment or waiver consented to as provided in this Section 18 or any Subsidiary Guaranty applies equally to all **Purchasers and** holders of Notes and is binding upon them and upon each future holder of any Note and upon the Company without regard to whether such Note has been marked to indicate such amendment or waiver. No such amendment or waiver will extend to or affect any obligation, covenant,

Section 18.4. Notes Held by Company, Etc. Solely for the purpose of determining whether the holders of the requisite percentage of the aggregate principal amount of Notes then outstanding approved or consented to any amendment, waiver or consent to be given under this Agreement, any Subsidiary Guaranty or the Notes, or have directed the taking of any action provided herein or in any Subsidiary Guaranty or the Notes to be taken upon the direction of the holders of a specified percentage of the aggregate principal amount of Notes then outstanding, Notes directly or indirectly owned by the Company or any of its Affiliates shall be deemed not to be outstanding.

SECTION 19. NOTICES; ENGLISH LANGUAGE.

(a) Except to the extent otherwise provided in Section 7.4, all notices and communications provided for hereunder shall be in writing and sent (x) by telecopy if the sender on the same day sends a confirming copy of such notice by an internationally recognized commercial delivery service (charges prepaid) or (y) by an internationally recognized commercial delivery service (charges prepaid). Any such notice must be sent:

(i) if to any Purchaser or its nominee, to such Purchaser or nominee at the address specified for such communications in the Purchaser Schedule, or at such other address as such Purchaser or nominee shall have specified to the Company in writing,

(ii) if to any other holder of any Note, to such holder at such address as such other holder shall have specified to the Company in writing, or

(iii) if to the Company, to the Company at its address set forth at the beginning hereof to the attention of [_____], or at such other address as the Company shall have specified to the holder of each Note in writing.

Notices under this Section 19 will be deemed given only when actually received.

(b) Each document, instrument, financial statement, report, notice or other communication delivered in connection with this Agreement shall be in English or accompanied by an English translation thereof.

(c) This Agreement and the Notes have been prepared and signed in English and the parties hereto agree that the English version hereof and thereof (to the maximum extent permitted by applicable law) shall be the only version valid for the purpose of the interpretation

agreement, Default or Event of Default not expressly amended or waived or impair any right consequent thereon. No course of dealing between the Company and any *Purchaser or* holder of a Note and no delay in exercising any rights hereunder or under any Note or Subsidiary Guaranty shall operate as a waiver of any rights of any *Purchaser or* holder of such Note.

and construction hereof and thereof notwithstanding the preparation of any translation into another language hereof or thereof, whether official or otherwise or whether prepared in relation to any proceedings which may be brought in [] or any other jurisdiction in respect hereof or thereof.

SECTION 20. REPRODUCTION OF DOCUMENTS.

This Agreement and all documents relating thereto, including (a) consents, waivers and modifications that may hereafter be executed, (b) documents received by any Purchaser at the Closing (except the Notes themselves), and (c) financial statements, certificates and other information previously or hereafter furnished to any Purchaser, may be reproduced by such Purchaser by any photographic, photostatic, electronic, digital, or other similar process and such Purchaser may destroy any original document so reproduced. The Company agrees and stipulates that, to the extent permitted by applicable law, any such reproduction shall be admissible in evidence as the original itself in any judicial or administrative proceeding (whether or not the original is in existence and whether or not such reproduction was made by such Purchaser in the regular course of business) and any enlargement, facsimile or further reproduction of such reproduction shall likewise be admissible in evidence. This Section 20 shall not prohibit the Company or any other holder of Notes from contesting any such reproduction to the same extent that it could contest the original, or from introducing evidence to demonstrate the inaccuracy of any such reproduction.

SECTION 21. CONFIDENTIAL INFORMATION.

For the purposes of this Section 21, “**Confidential Information**” means information delivered to any Purchaser by or on behalf of the Company or any Subsidiary in connection with the transactions contemplated by or otherwise pursuant to this Agreement that is proprietary in nature and that was clearly marked or labeled or otherwise adequately identified when received by such Purchaser as being confidential information of the Company or such Subsidiary, provided that such term does not include information that (a) was publicly known or otherwise known to such Purchaser prior to the time of such disclosure, (b) subsequently becomes publicly known through no act or omission by such Purchaser or any Person acting on such Purchaser’s behalf, (c) otherwise becomes known to such Purchaser other than through disclosure by the Company or any Subsidiary or (d) constitutes financial statements delivered to such Purchaser under Section 7.1 that are otherwise publicly available. Each Purchaser will maintain the confidentiality of such Confidential Information in accordance with procedures adopted by such Purchaser in good faith to protect confidential information of third parties delivered to such Purchaser, provided that such Purchaser may deliver or disclose Confidential Information to (i) its directors, officers, employees, agents, attorneys, trustees and affiliates (to the extent such disclosure reasonably relates to the administration of the investment represented by its Notes), (ii) its auditors, financial advisors and other professional advisors who agree to hold confidential the Confidential Information substantially in accordance with this Section 21, (iii) any other holder of any Note, (iv) any Institutional Investor to which it sells or offers to sell such Note or any part thereof or any participation therein (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by this Section 21), (v) any Person from which it offers to purchase any security of the Company (if such Person has agreed in writing

prior to its receipt of such Confidential Information to be bound by this Section 21), (vi) any federal or state regulatory authority having jurisdiction over such Purchaser, (vii) the NAIC or the SVO or, in each case, any similar organization, or any nationally recognized rating agency that requires access to information about such Purchaser's investment portfolio, or (viii) any other Person to which such delivery or disclosure may be necessary or appropriate (w) to effect compliance with any law, rule, regulation or order applicable to such Purchaser, (x) in response to any subpoena or other legal process, (y) in connection with any litigation to which such Purchaser is a party or (z) if an Event of Default has occurred and is continuing, to the extent such Purchaser may reasonably determine such delivery and disclosure to be necessary or appropriate in the enforcement or for the protection of the rights and remedies under such Purchaser's Notes, this Agreement or any Subsidiary Guaranty. Each holder of a Note, by its acceptance of a Note, will be deemed to have agreed to be bound by and to be entitled to the benefits of this Section 21 as though it were a party to this Agreement. On reasonable request by the Company in connection with the delivery to any holder of a Note of information required to be delivered to such holder under this Agreement or requested by such holder (other than a holder that is a party to this Agreement or its nominee), such holder will enter into an agreement with the Company embodying this Section 21.

In the event that as a condition to receiving access to information relating to the Company or its Subsidiaries in connection with the transactions contemplated by or otherwise pursuant to this Agreement, any Purchaser or holder of a Note is required to agree to a confidentiality undertaking (whether through IntraLinks, another secure website, a secure virtual workspace or otherwise) which is different from this Section 21, this Section 21 shall not be amended thereby and, as between such Purchaser or such holder and the Company, this Section 21 shall supersede any such other confidentiality undertaking.

SECTION 22. SUBSTITUTION OF PURCHASER.

Each Purchaser shall have the right to substitute any one of its Affiliates or another Purchaser or any one of such other Purchaser's Affiliates (a "**Substitute Purchaser**") as the purchaser of the Notes that it has agreed to purchase hereunder, by written notice to the Company, which notice shall be signed by both such Purchaser and such Substitute Purchaser, shall contain such Substitute Purchaser's agreement to be bound by this Agreement and shall contain a confirmation by such Substitute Purchaser of the accuracy with respect to it of the representations set forth in Section 6. Upon receipt of such notice, any reference to such Purchaser in this Agreement (other than in this Section 22), shall be deemed to refer to such Substitute Purchaser in lieu of such original Purchaser. In the event that such Substitute Purchaser is so substituted as a Purchaser hereunder and such Substitute Purchaser thereafter transfers to such original Purchaser all of the Notes then held by such Substitute Purchaser, upon receipt by the Company of notice of such transfer, any reference to such Substitute Purchaser as a "Purchaser" in this Agreement (other than in this Section 22), shall no longer be deemed to refer to such Substitute Purchaser, but shall refer to such original Purchaser, and such original Purchaser shall again have all the rights of an original holder of the Notes under this Agreement.

SECTION 23. MISCELLANEOUS.

Section 23.1. Successors and Assigns. All covenants and other agreements contained in this Agreement by or on behalf of any of the parties hereto bind and inure to the benefit of their respective successors and assigns (including any subsequent holder of a Note) whether so expressed or not, except that, subject to Section 10.2, the Company may not assign or otherwise transfer any of its rights or obligations hereunder or under the Notes without the prior written consent of each holder. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto and their respective successors and assigns permitted hereby) any legal or equitable right, remedy or claim under or by reason of this Agreement.

Section 23.2. Accounting Terms. All accounting terms used herein which are not expressly defined in this Agreement have the meanings respectively given to them in accordance with GAAP. Except as otherwise specifically provided herein, (i) all computations made pursuant to this Agreement shall be made in accordance with GAAP, and (ii) all financial statements shall be prepared in accordance with GAAP.
